1. This five year contract is for the professional lawn care maintenance. The lawn area is to be cut and trimmed according to the schedule listed above for the location. The work must be preformed as per assigned set schedule. The work will be conducted under the direction of the District Resource Manager and the Chief of Fish and Wildlife.

2. As appropriate, all grass is to be mowed; trimming to be done around kiosks, guard rails, rocks and other structures. It shall be the intent of this contract to have each area and all its facilities maintained in accordance with the highest standards of cleanliness, turf management and horticultural practices.

3. It is the responsibility of each bidder to become familiar with the requirements of each site; the designated areas that are to be mowed and trimmed. Such work is to be performed during the hours specified or where not specified to be coordinated with area usage in a manner that will not conflict with pre-scheduled use by the public. It is expected that the successful bidder become thoroughly familiar with area, its boundaries and its facilities and to develop a personal pride in the proper appearance. The Division Representative will outline the entire area in detail at the scheduled pre-bid conference on site.

4. The successful bidder shall be expected to furnish proof of insurance. The contractor is to take, use provide and make all proper, necessary and sufficient precautions, safeguards and protection against the occurrence or happening of any accident, injury or hurt to any person or object during the process of their work and shall be held accountable, responsible and be insured for any accident, injury or damage which may result.

5. The bidder shall provide all necessary tools, equipment and means of transportation required to efficiently fulfill the contractual services. The bidder is expected to furnish proof of a labor force of sufficient size and capability to perform all necessary work. No allowance will be made subsequently on behalf of a contractor for an error in understanding on their part.
