State of Rhode Island
Division of Purchases

Solicitation #7549196
Master Price Agreement #506-Seasonal Equipment, Parts & Services

The State of Rhode Island Division of Purchases, on behalf of all state agencies, is seeking to establish multiple pricing agreements with qualified vendors to provide equipment, parts and/or services for all OEM (original equipment manufacturer) and non-OEM equipment such as may be required for landscaping and/or snow removal. This may include, but not be limited to, lawn mowers, riding tractors, chain saws, spreaders, chippers, pressure washers, light towers, compressors, trailers, snow blowers, etc.

The State anticipates multiple awards which will be for a three year period with two one-year renewal options. Additionally, political subdivisions (cities, towns, schools, quasi-public agencies) as authorized by law may participate in this Master Price Agreement. All ordering and billing shall be between the vendor and the political subdivision.

The repair services, as may be required, will be performed at the vendor's locations. Parts ordered against the resulting agreements will be delivered FOB Destination to the location specified in the order; shipping and/or delivery charges are not paid separately.

It is not necessary for all bidders to provide labor rates and parts discount. However bidders who are issued an award for repair services will be required to furnish a Certificate of Insurance as identified in the State's General Conditions of Purchases, available at www.purchasing.ri.gov.

The attached spreadsheet indicating your firm's bid prices must be completed and returned along with the three-page certification cover form.

Questions concerning this solicitation must be directed to Lisa Hill at lisa.hill@purchasing.ri.gov no later than March 12, 2015 at 4:00 p.m.
