NOTICE TO PROSPECTIVE BIDDERS

ADDENDUM NO. 1

For clarification, the City of Newport Department of Utilities Water Division Waterworks Supplies Bid #13-084 requires that all vendors comply with The Reduction of Lead in Drinking Water Act signed into law January 2011 and its provision effective January 5, 2014. As such, during the contract term (July 1, 2013 to June 30, 2014) the lead-free water works supplies change from 85-5-5-5 leaded to 0.25% weighted average. Per the Reduction of Lead in Drinking Water Act, the SDWA definition of the term lead-free has been modified to reduce the maximum lead content to “not more than a weighted average of 0.25% (lead) when used with respect to the wetted surfaces of pipes, pipe fittings, plumbing fittings, and fixtures.”
