                                  Quonset Business Park  
                                  95 Cripe Street  
                                  North Kingstown, RI 02852  
                                  Attn: Steven J. King, P.E  
                                  Managing Director

Closing Date:             All written bids must be received before August 14, 2012 at 1:00  
                                  PM

Attachments:             (A) Bid Proposal  
                                  (B) Paint Specification Sheet  
                                  (C) Layout Plan

Inquiries:                 Inquiries regarding this project can be addressed to Mr. Brian Reynolds, Project Manager, Quonset Development Corporation, 95 Cripe Street, North Kingstown, Rhode Island (Telephone No. 401-295-0044 ext. 246). Prospective bidders are encouraged to examine the premises and may schedule an appointment with the Quonset Development Corporation Operations Office, during normal working hours (Monday through Friday, 8:30AM – 4:30PM).

Waiver & Acceptance:    The Quonset Development Corporation reserves the right to reject any or all of the bidders and to waive any informality in bids received and to accept that bid which, in its judgment, best serves the interest of the Corporation.

Method of Award:         Award of this contract will be made to the responsive, responsible Contractor who meets the minimum qualifications set forth in this solicitation. These qualifications are as follows:

Experience:

A minimum of five (5) years' experience with commercial painting. Contractor shall provide a list of work successfully performed. Contractor shall have completed a minimum of five (5) similar jobs in the past two years.

Equipment:

List of equipment to complete the work required. All equipment must be in good condition and in running order. Equipment list must be submitted with the Bid Proposal.

**Instruction to Contractors**

Bid Prices:

For the purpose of the Award, all bids received shall be good for a period of ninety days from the date of the bid opening. Bid prices must include cost of labor, supplies, taxes, insurance, overhead and all other costs associated with doing business and prosecuting the work. If bidder is awarded contract no price adjustments will be allowed unless approved by Quonset Development Corporation.

Site Conditions:

Bidders should visit the site and take such other steps as may be reasonably necessary to ascertain the nature and location of the work, and the general and local conditions which can affect the work or the cost thereof. Failure to do so will not relieve bidders from responsibility for estimating properly the difficulty or cost of successfully performing the work. Quonset Development Corporation will assume no responsibility for any misunderstanding or representations concerning conditions made by any of its officers or agents prior to the execution of the contract, unless included in the invitation of bids, the specifications, or related documents.

Bid Form

Bids shall be submitted on the forms furnished, or copies thereof, and must be manually signed. If erasures or other changes appear on the forms, each erasure or change must be initialed by the person signing the bid. Telegraphic bids will not be considered. The bidder shall bid on all items, failure to do so will disqualify the bid.

Public Copy

Pursuant to RIGL 37-2-18(b) each bidder shall submit a copy of their Bid Proposal to be available for public inspection at the time of the bid opening. An original Bid Proposal and a copy ("Public Copy") of the Bid Proposal shall be submitted.

Delivery Requirements:

Each bid shall be addressed to the Quonset Development Corporation and shall be delivered to the address given in the

invitation to bid on or before the day and hour set for opening of bids. Each bid shall be enclosed in a sealed envelope bearing the title of the work, the name of the bidder, and the date and hour of the bid opening. It is the sole responsibility of the bidder to see that his bid is received on time.

**Wage Requirements:** The attention of the bidder is particularly called to the requirements as to conditions of employment to be observed and wage rate to be paid under the contract. In conformity with the provision of Chapter 13 of Title 37 of General Laws, Rhode Island 1956, as amended. Prevailing wage rates are those that are in effect ten (10) days prior to the bid opening and can be obtained from the Rhode Island Department of Labor and training at [www.dlt.ri.gov](http://www.dlt.ri.gov).

**Equal Opportunity Requirements:** Unless otherwise exempt, bidders must certify that they are in compliance with applicable requirements of Federal Executive Order No.11246, as amended, State of Rhode Island Executive Order 85-11 and other regulations issued by the Quonset Development Corporation, or must agree to take steps to comply with such requirements prior to the award of a contract. This proposal is subject to Rhode Island General Law 37-14-1.

**Execution of Agreement:** The form of Agreement which the successful bidder, as Contractor, will be required to execute will be the standard QDC contractor's contract. The bidder to whom the Contract is awarded by QDC shall, within fifteen (15) days after notice of award and receipt of Agreement forms from the QDC, sign and deliver to the QDC all required copies.

All work specified must be executed in the most thorough, substantial, and workmanlike manner and must be completed to the satisfaction of the Quonset Development Corporation/Owner. Only skilled workmen are to be employed on this job. All workmanship shall be of the highest quality, meeting the best standards of the trade. If the Contractor does not meet the above listed requirements the Owner shall notify the Contractor of such, verbally of items lacking in poor workmanship, with a follow up in writing. After three (3) notifications indicating poor workmanship, the Owner reserves the right to terminate the Contract

**Insurance:** Each Contractor shall include in its solicitation response package proof of insurance capabilities, including but not limited to the following requirements: (This does not mean that the contractor must have the coverage prior to submittal, but, that the coverage must be purchased and in place prior to the contract being executed

by QDC). A certificate of insurance indicating that the awarded Contractor has the coverage in accordance QDC's requirements shall be furnished by the Contractor to QDC along with the Contract Agreement. The Contractor shall provide and maintain at all time during the term of the contact the policies of insurance.

The contractor shall indemnify, hold harmless and defend QDC its agents and its employees from any and all claims actions or liabilities for injuries or damaged sustain any persons, property arising directly from the Contractors performances of this contract. The Contractor shall prior to the award provide proof of insurance for workmen's compensation, general liability, and automobile insurance. The coverage shall have the following minimum limits:

\$1,000,000 Each Occurrence

- Property Damage:  
\$500,000 Each Occurrence  
or combine single limit of \$2,000,000

## **Port of Davisville**

### **Terminal Access Control Policy**

The Quonset Development Corporation (QDC) requires that all persons who have a legitimate business need to enter upon property owned and controlled by the QDC at the Port of Davisville possess and display a properly issued and authorized identification card. Persons who regularly access the Port of Davisville must display a Photo Identification Card at all times when on the facility. The person requesting a photo ID card must complete an Identification Card application form. In addition, the person's employer must request that an Identification Card be issued to the employee by completing the lower portion of the application form.

### **PIER ACCESS**

Access to the piers, which are restricted areas, and thus to any vessels that may be on berth, will be strictly controlled. Port Security personnel will control access to the piers. Only personnel who are authorized by the Facility Security Officer (FSO) or his designated representative, will be allowed access, and will be required to have a Transportation Worker Identification Credential (TWIC) and a Port of Davisville photo identification card.

The possession of a TWIC is required for individuals who need access to restricted areas in the course of their employment and the nature of their work. Persons seeking access to the piers who do not possess a TWIC, are not routinely employed at the Port of Davisville, but have demonstrated a business need to enter, and are approved by the FSO to enter, shall only enter the piers with a QDC approved TWIC escort as a side-by-side companion at the ratio required by federal regulation (1:5). These persons are defined as visitors. All visitors must be requested and approved in advance of arrival to the piers.

A sponsoring employer who requests a visit for their employee, or whose employee performs a TWIC escort, assumes responsibility for ensuring their employee maintains compliance with the federal mandate.

All visitors and escorts must agree to abide by the policies and procedures outlined in the QDC policy or access is denied. Failure to adhere to these procedures is a violation of federal law and constitutes a breach of security. All breaches of security will be reported, as required by federal law and the Port Facility Security Plan, and may result in fines imposed by the US Coast Guard for non-compliance.

### **Scope of Services**

#### **Outline Scope:**

The following outline provides a scope of work for the Pier 2 Painting project. Painting project will consist of preparing and painting approximately 55 Traffic Bollards, approximately 16 Ship Bollards, approximately 4 Ship Storm Bollards, approximately 23 ship cleats, 1 Railroad Car Stop, and approximately 2200 Lineal

Feet of concrete curb located around perimeter of Pier.

#### Public Safety

- Contractor shall notify Office of Port Operations and provide Contractors work schedule before starting work.
- Contractor will need to schedule work around ship traffic and ship schedule with Port Operations.
- Contractor shall supply all barricades, signage, drums, cones, and any traffic control devices required for public safety and traffic control.
- Life Jackets will be required when working within twenty feet to edge of Pier.
- Contractor will need to provide rescue ladder while working along edge of Pier.

#### Site Preparation

- Remove protective wraps on traffic Bollards prior to paint preparation and re-install at completion of project.
- Zero Blast all cleats and bollards.
- Apply Rust preventative to entire surface to be painted.
- Apply one coat of paint on all prepared surfaces per Paint Specifications.

#### Paint Specifications

- **Cleats:** Devoe Alkyd Industrial Gloss Enamel  
White High Hiding  
4308-1000

**Bollards:** Devoe Devguard 4308  
Alkyd Industrial Gloss Enamel  
Safety Yellow  
4308-9400

**Curbing:** Performance Coating  
Zone Marking Paint
