RIAC can consider, among other factors, such things as labor cost, service and parts availability, availability of materials and supplies, and maintenance costs of items upon which bids are received. RIAC can determine any differences or variations in the quality or character of the material, goods, wares, or services performed or provided by the respective bidders.

Should the prosecution of the work for any reason be discontinued by the CONTRACTOR, with the consent of the OWNER to such work stoppage, the CONTRACTOR shall not recommence work unless CONTRACTOR has given the OWNER at least forty-eight (48) hours prior to written notice.

IN WITNESS WHEREOF, the parties to these presents have caused this AGREEMENT to be executed in their names and on their behalf as of the date first written above.
