**NOTICE TO PROSPECTIVE BIDDERS**

**ADDENDUM NO. 3**

**Prospective Bidders and all concerned are hereby notified of the following changes in the Contract Documents for the Relocation of Main Avenue at T.F. Green Airport.**

**These changes shall be incorporated in and shall become an integral part of the contract documents. The number (No. 3) and date (4/15/15) of this addendum must be entered into the space provided on Page 1 and Page 18 of Section 00320 in the Proposal Form. These changes will be incorporated into the Conformed Contract Documents to be issued to the successful bidder.**

## PROJECT MANUAL

### ADDENDUM ITEM NO.1:

In the Project Manual, DIVISION 2-SITE WORK Section 02735 Dust Control, Delete Paragraph 4.2A in its entirety and Replace it with the following:

- A. "Calcium Chloride and Water Solution for Dust Control" will be measured by the number of tons of calcium chloride used in the solution and actually applied as directed by the Engineer. The Engineer may allow the weights as printed on the shipping containers to constitute the official measure. Otherwise, the Contractor shall provide scales to weight the material at no additional cost to the RIAC.

The weight of water will not be included in measuring the number to tons applied. Only the number of tons of calcium chloride will be used to measure payment.
