Sign Equipment  
T. F. Green Airport, Warwick, RI**

Prospective Bidders and all concerned are hereby notified of the following changes in the Invitation for Bid document for Sign Equipment at T. F. Green Airport, IFB 26568. These changes shall be incorporated in and shall become an integral part of the contract documents.

1. I see nothing that talks about set-up/training of the Laminator in this bid. Since it is not mentioned am I to assume no set-up/training is required?  
**Please include costs for set-up of the Laminator in the bid.**
2. The laminator weighs in at almost 600 lbs. and is drop shipped to the Airport. Is the movement of the Laminator to the final destination something that will be done by your staff?  
**Yes.**
