**Runway 16-34 Improvement Program  
Phase 2 – Runway 34 End Safety Area, NAVAID Improvements, and Wetland Mitigation  
T. F. Green State Airport  
Warwick, Rhode Island  
RIAC Construction Contract No. 24873**

The project consists of construction for the Runway 34 End Runway Safety Area, NAVAID Improvements, and Wetland Mitigation at T. F. Green Airport. The project scope of work includes: removal of existing bituminous concrete overlay pavement and Portland Cement Concrete pavement within the portion of the Runway Safety Area to be reconstructed, extension of runway pavement for installation of a 170' x 462' Engineered Material Arresting System (EMAS) including the concrete anchor beam, geometric modifications and rehabilitation of approximately 640' of Taxiway C at the Runway 34 End, bituminous concrete milling to transition the new work into the existing surfaces, relocation and replacement of approximately 1,800' of perimeter security fencing, temporary security fencing to isolate the site from airport operations, reconstruction of a section of the vehicle service road, duct bank relocation, pavement sensor relocation, miscellaneous lighting and electrical system improvements, removal of existing bituminous concrete pavement and regrading of the Runway Safety Area, drainage system improvements, cleaning of existing drainage pipes and pavement marking improvements. This project will be constructed over two (2) different construction seasons with a winter shutdown. The majority of the work will be performed during the 2014 construction season with the EMAS bed materials being the primary work to be installed during the 2015 construction season.

The work performed under this Contract shall be governed by the Federal Contract Provisions set forth in the Contract Documents, which include, but are not restricted to, Disadvantaged Business Enterprise (DBE) Subcontractor participation, Equal Employment Opportunity requirements, and compliance with Federal Wage and Hour requirements (Davis-Bacon Act). All requirements of the State of Rhode Island and all administrative regulations shall apply to this project as if herein written out in full.

The requirements of 49 CFR Part 26, Regulations of the U.S. Department of Transportation, apply to this contract. It is the policy of the Rhode Island Airport Corporation to practice nondiscrimination based on race, color, sex, or national origin in the award or performance of this contract. All firms qualifying under this solicitation are encouraged to submit bids/proposals. Award of this contract will be conditioned upon satisfying the requirements of this section. These requirements apply to all bidders/offerors, including those who qualify as a DBE. A DBE contract goal of ***nine and forty five-hundredths percent (9.45%)*** has been established for this contract. The bidder/offeror shall make good faith efforts, as defined in Appendix A, 49 CFR Part 26, to subcontract ***nine and forty five-hundredths percent (9.45%)*** of the dollar value of the prime contract to Disadvantaged Business Enterprises (DBE), as defined in 49 CFR Part 26.

The attention of prospective bidders is called to the fact that this project is to be bid upon and the contract executed, under the Rules and Regulations for carrying out the provisions of the Airport and Airway Improvement Act of 1982; Public Law 97-248 and Part 152 of the Federal Aviation Regulation
