T. F. GREEN AIRPORT**

Prospective Proposers and all concerned are hereby notified of the additional information related to the Request for Proposals document for the **Glycol Management Service**.

Addendum Item No. 1

Addendum No. 1 provides potential proposers a listing of questions and their respective answers received prior to the established deadline of 4:00 p.m., June 25, 2013.

1. What were the volumes collected 2011-2012 and 2012-2013. See Attachment 'A'
2. What was the amount applied during 2011-2012 and 2012-2013. See Attachment 'A'
3. Was there a reason in 2012-2013 why the requirement for collection went from 3% and higher to 1% and higher for 2013-2014? Yes. This was increased to improve the collection.
4. Will the catch basin inserts be inspected for mechanical problem before the contractor takes responsibility for them? The contractor will be responsible for inspecting the catch basin inserts prior to the deicing season. They are opened and closed manually.

This Addendum No. 1 consists of 1 page.
