**ADDENDUM NO. 01  
REQUEST FOR QUALIFICATIONS NO. 26648  
Design of an Airport Parking Garage**

Prospective Respondents and all concerned are hereby notified of the following changes in the Request for Qualifications document for the Design of an Airport Parking Garage, RFQ No. 26648. These changes shall be incorporated in and shall become an integral part of the contract documents.

Below are the questions received by prospective proposers and RIAC's response.

1. Will the selected firm remain engaged in the design and construction phase of the facility, or will it be precluded? **RIAC has not made the decision if the firm will be engaged in the design or construction phases. If RIAC selects a firm for "conceptual" analysis only, this firm will not be precluded from participating in any future design and/or construction phase activities.**
