

Bid# 151130 – Car Sharing Program – RIC & URI

ADDENDUM 1

Q: Are we able to leave out our pricing information in the public copy of the proposal?

A: In order for Rhode Island College and the University of Rhode Island to evaluate any cost discounts if any, to our students, faculty and staff.

Q: While the award is made to the offeror quoting the lowest net price, does that qualify for Zipcar? We are not charging RIC or URI for services.

A: Rhode Island College and the University of Rhode Island will be reviewing the proposals based upon the evaluation criteria. The evaluation process is not based just on cost.

Q: Under Section 5 Disclosures – the instructions say to complete Disclosure 5 but there is no Disclosure 5 in the document. Where is Disclosure 5?

A: Section 5 Disclosures is on page 3 of the certification forms.

Q: With the RFP being due on 12/29/15 and the contract term set to begin on 1/2/16, when do you expect to award the proposal? That would only give both sides two business days to execute an agreement. Keep in mind those two days are between Christmas and New Year's when many people are on vacation.

A: The submission deadline date has been extended to January 8, 2016 at 11:00 AM
