

Port Security Grant (PSG09)
System Expansion Phase II (PSCN-2)

RI Economic Development Corporation
315 Iron Horse Way, Suite 101
Providence, RI 02908

Hello: This e-mail is to address questions that have surfaced relating to this past weekend's snowstorm and the RFP schedule. The questioner asked about an extension of the proposal deadline, due to Storm NEMO and its impact on working with vendors for estimates and other related matters. That said, the PSG09 Team agrees to extend the deadline for proposal submissions from February 20 to February 22 at 2 p.m.
