

Rhode Island Economic Development Corporation

Request for Proposals for Economic Development and Real Estate Consulting Services

Monday, September 23, 2013

1. The RFP requires the material be submitted in an envelope with the bid # on the envelope, but I could not find a bid#: is there one? **Although the RIEDC did not establish a bid number, the State of RI Purchasing System did, and it is RFP #2146.**
  
2. Can the 6 requirements in the administrative section (page 7) such as certificate of availability, be included in the body of the proposal or a cover letter? **The requirements should be included in the body of the proposal.**
  
3. Is a cover letter required? **No, but you are welcome to provide one if it helps your proposal.**
  
4. Will the Agency expect the selected Real Estate Consultant to assist in the development of RFPs, the analysis of responses and the conducting of interviews in the selection process of other project professionals (i.e. architects, engineers)? **The agency could consider and ask a vendor to provide the services outlined. Recognize that any engagement with a vendor on a project will be preceded with a fully executed Non-Disclosure Agreement (NDA) between the Agency and the Vendor.**
  
5. If the Agency decides to select separate vendors for the Economic Development services and Real Estate Consulting services, will the Agency select multiple vendors for each category? **The Agency reserves the right to engage multiple vendors for the services requested in the RFP.**
