**I. TICKET VENDING MACHINE LOCATIONS**

Ticket Vending Machines (TVMs) are to be installed at the following locations:

**A. Kennedy Plaza**

Two TVMs are to be installed at this location, one flanking each side of the building. While only one side is shown in the photo below, the opposite side of the building is very similar.

**B. Pawtucket Transit Center**

This TVM will be located in downtown Pawtucket on High Street at a location that has yet to be developed. This TVM, while procured as part of this installation, will be installed as part of the development of the new hub location.

---

**C. Providence Amtrak Station**

This TVM ideally will be installed indoors. However, negotiations with Amtrak may require outdoor installation. Photos below show three possible locations for installation. If outdoor installation occurs, this will be done as part of the redevelopment of the Amtrak plaza and only procurement of the TVM will be required.

---

**F.**    **North Main @ University Heights (optional location)**

Similar to Broad St at Thurbers Avenue, this TVM will be constructed in a new shelter that has yet to be finalized. This TVM, however, will be in a new location that is not currently a bus stop.

**G.**    **Broad St. @ Goff (optional location)**

This Pawtucket location is similar to Broad @ Goff in that the TVM will be inside of the bus shelter just outside of the Walgreens at this location.

**H. Broad Street at Jillson (optional location)**

This TVM will be installed on the south face of the public library at this location.

**I. Broad St. @ Lockwood (optional location)**

The TVM will be installed in the southbound bus shelter (west side of Broad St.), similar to the other outdoor.
