4. **Final Installation Sites**

The Contractor will work with Customer to determine final installation sites for each of the TVMs. The exact, specific location for each TVM has not been determined. The Authority will give more specific information on each location at the Pre-Bid Meeting to be held on February 26, 2013. Prospective Bidders are asked to refrain from visiting the specific sites until after the Pre-Bid Meeting.

Final Installation may be delayed several months due to unforeseen circumstances. Contractor shall coordinate installation with RIPTA Staff. Contractor will be paid the quoted installation cost at the time of each installation. Transportation costs from RIPTA designated location to installation location shall be included in the Installation Cost.

**XXVII. EQUIPMENT DELIVERY**

The Authority will pay the vendor for the cost of the TVMs upon delivery to a secure location as directed by RIPTA, once proper documentation is received. RIPTA will store the TVMs at its designated location until the installation commences.
