Minutes of Proposal Meeting held November 7, 2014

Revision to the Technical Specifications.

**Minutes of Pre-Proposal Meeting
November 7, 2014**

The meeting came to order at 1:02 p.m. Michael J. M^cGrane, RIPTA Contracts Manager welcomed all those present. Mr. McGrane introduced RIPTA Personnel present. Mr. M^cGrane gave a brief background of the specifications for the Proposal Package and the purpose of this meeting. Mr. McGrane asked those present to identify themselves when asking questions.

Michael M^cGrane cautioned prospective bidders to be diligent when completing the required forms, to pay attention to the details such as the required number of copies needed. Vendors need only to submit the required forms listed in the Proposal Package on page 42. Vendors having difficulty completing the required forms are encouraged to contact the Michael McGrane for guidance. He also cautioned bidders not to procrastinate when filling out the paperwork. RIPTA Staff have busy schedules, therefore may not always be available for last minute questions

Michael M^cGrane also reminded those present to pay particular attention to the Insurance Requirements listed on Page 79 of the Proposal Package. They are not the same requirements utilized by other State Agencies.

Mr. M^cGrane reminded the attendees that this project is not subject to the provisions of the Davis Bacon Act.

Mr. Vignale informed the members the price sheet will be amended to include line items for Oil Water Separator and the various line items for batteries.

The meeting was opened to questions from the various participants:

Amanda Wuoti of SteryCycle asked about the frequency of shipments:

Mike Vignale of RIPTA responded that they would most likely be quarterly, but the Authority may have to adjust the schedule based upon need.

There being no further business, the meeting adjourned at 1:30 p.m.

Respectfully submitted
Michael J. M^cGrane
