Attached please find questions and RIPTA Response from McMahon Associates

1. Section C of the Scope of Work states “this section provides an overview of RIPTA and RIDOT’s goals, alternatives, issues and anticipated outcomes”. However the section appears to only document one goal relating to typologies. It appears that the other goals are missing. Page 78 – Other Information also documents that each goal outlined above must include an individual unit price for completion of that goal. Please confirm, and provide as appropriate, the missing goals, alternatives, issues and anticipated outcomes sections of the RFP.
RIPTA Response: There is a typo in the document. Section D is actually supposed to be the second goal.

2. Could you please confirm whether this project will result in the production of a report, as mentioned in Section XXXIV Deliverables, OR production of a guidebook, as indicated on page 75 within the Purpose section of the RFP?
RIPTA Response: A Guidebook

3. Do you require the cost proposal to be submitted separately from the technical proposal?
RIPTA Response: Yes
