The meeting came to order at 1:12 p.m. Michael J. M^cGrane, RIPTA Contracts Manager welcomed all those present. Mr. McGrane introduced RIPTA Personnel present. Mr. M^cGrane gave a brief background of the specifications for the Proposal Package and the purpose of this meeting. Mr. McGrane asked those present to identify themselves when asking questions.

Michael M^cGrane cautioned prospective bidders to be diligent when completing the required forms, to pay attention to the details such as the required number of copies needed. Vendors need only to submit the required forms listed in the Proposal Package on page 40. Vendors having difficulty completing the required forms are encouraged to contact the Michael McGrane for guidance.

He also cautioned bidders not to procrastinate when filling out the paperwork. RIPTA Staff have busy schedules, therefore may not always be available for last minute questions

Michael M^cGrane also reminded those present to pay particular attention to the Insurance Requirements listed on Page 62-63 of the Proposal Package. They are not the same requirements utilized by other State Agencies.

Attendees were reminded that this is a prevailing wage project, subject to the Provisions of the Davis-Bacon Act

Mr. Bernard Harwood, Executive Director of Maintenance highlighted the major difference in the revised specifications: The Waterproofing Requirements shall only apply to the Lower Portion of the Building.

There being no further business, the meeting adjourned at 1:30 p.m.

Respectfully submitted
Michael J. M^cGrane
Contracts Manager
