

**Invitation for Bids Number 16-29  
Addenda One  
July 5, 2016**

---

**Acknowledgment of Addenda**

The undersigned acknowledges receipt of the following addenda to the bidding document:

**THE COMPLETED ACKNOWLEDGEMENT OF ADDENDA FORM  
SHOULD BE RETURNED WITH BID RESPONSE PACKAGE: NOT  
SENT TO RIPTA SEPARATELY**

NOTE: Failure to acknowledge receipt of all addenda may cause the bid to be considered non-responsive to the solicitation. Acknowledged receipt of each addendum must be clearly established and included with the bid.

Minutes of Pre-Bid Meeting held June 30, 2016

Bid Price Submittal Form

Request for Approved Equals and RIPTA Response from Powerwash.

**Minutes of Pre-Bid Meeting June 30, 2016**

The meeting came to order at 1:15p.m. Michael J. McGrane, RIPTA Contracts Manager welcomed all those present. Mr. McGrane introduced RIPTA Personnel present. Mr. McGrane gave a brief background of the specifications for the Proposal Package and the purpose of this meeting. Mr. McGrane asked those present to identify themselves when asking questions.

Michael McGrane cautioned prospective bidders to be diligent when completing the required forms, to pay attention to the details such as the required number of copies needed. Vendors need only to submit the required forms listed in the Proposal Package on page 40. Vendors having difficulty completing the required forms are encouraged to contact the Michael McGrane for guidance.

He also cautioned bidders not to procrastinate when filling out the paperwork. RIPTA Staff have busy schedules, therefore may not always be available for last minute questions

Michael McGrane also reminded those present to pay particular attention to the Insurance Requirements listed on Page 62 of the Proposal Package. They are not the same requirements utilized by other State Agencies.

Mr. McGrane reminded the attendees that the Proposed Lift must comply with the Buy America Requirements of the Federal Transit Administration. They must submit a spreadsheet with their bid verifying compliance.

Bernard Harwood, Executive Director of Maintenance, led a brief tour of the location of the installation of the lifts. He noted that the new lift must drop into the existing pits, with minimal excavation. This is necessary to insure that the facility is kept operational.

There being no further business, the meeting adjourned at 2:00 p.m.

Respectfully submitted  
Michael J. McGrane  
Contracts Manager
