ADDENDUM #1

BID NO.:100244
OPENING: 5/23/16 @ 3:00pm
COMMODITY: Rental Storage Containers

This Addendum is being issued as the result of a question submitted to URI Purchasing.

Question #1 - I'm looking at the bid for container and it says the containers need to be 8'5" high. Some of the ones we have down there are 9'6", will they work for this spec?

Answer #1- HRL response: We did spec out 8' 5" but we will accept 9' 6"

Bookstore response: Yes. 9'6" is also fine. I thought the standard size (height) clearance is 8'5", but I see no problem with it being taller since the units are (will be) sitting in an open area.

If you have already submitted a bid and need to make changes, based on the information within the Addendum, please submit a new bid response and indicate that this submission supersedes the prior.
