

Date:8/10/12

ADDENDUM # 1

BID NO: 2279 High Pressure Vessel Design and Fabrication
OPENING: 8/20/2012 3:00pm

Please note the additional language below is to be added to the Bid Specification sheet "Design Notes Page" after item #23 and reads as follows:

**The tank is to be delivered and put in place on the stand in our lab (final destination).
All of the plumbing and other installation will be done by the URI Department.
The location is approximately 30-40ft from a garage door on the ground floor. The garage door opens into this lab.**

If you have already submitted a bid and need to make any changes based on information within the Addendum, please submit a new bid response and indicate that this submission supersedes the prior .
