

**State of Rhode Island
DIVISION OF PURCHASES
MPA 372- Tree and Shrub Removal/Trimming**

The Division of Purchases has awarded the above referenced Master Price Agreement for the effective period 10/26/12 to 9/30/13 with the option to renew for an additional twelve month term.

The awarded vendors are as follows:

Mister Tree – Tier I and Tier II

North-Eastern Tree Service – Tiers I, II and III

Stanley Tree Service – Tiers I, II and III

Warwick Tree Acquisition Corporation – Tiers I, II and III

This agreement has a pricing structure which is divided into three (3) categories, as follows:

Tier I - Services which are scheduled in advance for various trimming and/or removal of trees, shrubs, limbs, stumps, etc., removal and/or planting of shrubs. In all instances where Tier 1 services are required, agencies are required to obtain multiple quotations and select the vendor with lowest cost. The MPA awarded rates are the maximum rates that can be charged, therefore negotiation of lower rates is encouraged.

Tier II – Services considered an emergency operation and requires immediate response, resulting in the vendor halting current operations to perform the required work. Emergency Services require immediate response from the vendor whenever called upon including regular business and non-business hours (after 4:00 p.m. M-F, Saturdays, Sundays and holidays. Response time for this service must be within 2 hours of notification. Vendor must be prepared to respond 24 hours per day, 7 days per week/365 days per year. In such instances, the State reserves the

right to utilize the vendor who is able to respond and complete the work in the most expeditious fashion.

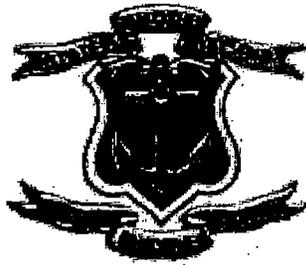

Tier III – Services in this category are limited to a severe situations such as regional weather events, or other disasters where the impact is regional. This situation would require immediate response and may require a longer duration of service(s). In the event that a regional event is predicted, the State may elect to utilize a stand-by rate (as identified in Tier III pricing) to retain crews in anticipation of need. Response time for this level of service is within two (2) hours, and may require up to a twelve (12) hour workday. Tier III pricing will only be authorized when 1) an Emergency Declaration is declared by the Governor or 2) authorization by the Chief Purchasing Officer or Purchasing Agent in accordance with State of Rhode Island Regulation 9.6 Emergencies (37-2-21b)

This MPA has statewide applicability; all political sub-divisions (cities, towns, schools, quasi-public agencies), as authorized by law, may participate in this agreement. All ordering and billing shall be between the vendor and the political sub-division.

Note:

No individual work order (Tier I Service) may exceed \$15,000.00 without prior written approval of the State Division of Purchases.

No miscellaneous charges, no travel, no mileage, no portal-to-portal will be allowed.
