CONTRACT USER GUIDE
OWNER'S REPRESENTATIVE SERVICES FOR ARCHITECTURAL/ENGINEERING
AND/OR CONSTRUCTION PROJECTS

MASTER PRICE AGREEMENT #430
CONTRACT TERM: 8/14/13-7/31/16
WITH AN OPTION TO RENEW FOR TWO ADDITIONAL YEARS

The Division of Purchases issued RFP #7461230 for Owner's Representative Services on February 27, 2013. Seventeen proposals were received on March 25, 2013, of which 15 were recommended for inclusion on MPA-430.

CONTRACT SUMMARY

This Master Price Agreement includes qualified firms to provide Owner's Representative Services on an "as needed" basis for one or more Capital Projects, Architectural/ Engineering (A/E) and/or Construction projects.

WHAT IS AN OWNER'S REPRESENTATIVE VS. PROGRAM MANAGER

An Owner's Representative is the person designated by the Owner on a particular project who has the authority to give binding consents or approvals required by the contract documents. When the Owner designates an Owner's Representative in the Contract Documents, the Owner is holding that person out to the Contractor as someone authorized to bind the Owner, and the Contractor can rely on the statements of the Owner's Representative. If the Contractor seeks consent from someone who is an employee of the Owner but the Owner has not designated that employee in the Contract Documents as the Owner's Representative, then any reliance by the Contractor on what that person says is misplaced.

If there is a construction project, for example, to repair a building used by the Department of Human Services, the Owner's Representative could be the project manager assigned to manage the project from the staff of DHS, or perhaps someone from capital projects.

A program usually involves multiple projects but can also involve just one. A Program Manager is someone hired by the Owner to assist the Owner in an advisory capacity, on matters that impact the program, during design and construction. Basic services of the program manager primarily relate to overseeing the development and implementation of the program and include creating a program management plan to describe the scope of the program and its requirements,

managing program related information across the multiple projects in the program, developing a program-wide budget and schedule, and establishing quality control guidelines. The program manager can help with economies of scale and coordinate and prioritize resources across projects, and reduce coordination costs and risks across several projects in a program.

HOW TO REQUEST OWNER'S REPRESENTATIVE SERVICES

The Owner's Representative method may be selected for a project when it is determined that the following criteria will be met:

- The State cannot manage or supervise the work of specialty trade contractors and will not contract directly with such specialty trade contractors;
- It is in the State's best interest to retain an Owner's Representative to supervise and or monitor the activities of a general contractor; and/or
- It is in the State's best interest to retain an Owner's Representative to supervise and or monitor the engineering and architectural services for a project;

WHO CAN USE THIS CONTRACT

This is a Master Price Agreement and, as such, has Statewide Applicability. Political Subdivisions (cities, towns, schools, quasi-public agencies), as authorized by law, may participate in this Agreement. All ordering and billing shall be between the vendor and the political subdivision (only).

This Notice of Award/Purchase Order is issued in accordance with the specific requirements described herein and the State's Purchasing Regulations and General Conditions of Purchase, copies of which are available at www.purchasing.ri.gov. Delivery of goods or services as described herein shall be deemed acceptance of these requirements

FEE RATES/RATE STRUCTURE

When the ABM GROUP (ABM) prepares a Fee Proposal for a particular Project, **that fee is based upon a blended hourly rate** of all of ABM's Staff and resources at all levels, from Administrative and Clerical, to Professional (project managers, estimators, schedulers, superintendents, safety officers), and Principals. ABM's entire staff is available to provide the maximum expertise and support for each job assignment.

Keep in mind that all final fees are negotiated by all the parties to a mutually agreeable fee for services taking into account the project's size, complexity, time schedule, and particular requirements as discussed above.

The Rate and Fee Schedule presented herein has been based upon our assumptions of the project's requirements. It is also based upon the Owner providing on-site furnished office space and associated utilities (telephone/fax, heat/electric, and internet); however ABM will provide our own cell phones and computer equipment. Our Fee Proposal also includes:

- Normal travel expense within Rhode Island
- Cost of cell phone usage
- Regular Office Supplies – such as copy paper, etc

REIMBURSABLES, such as blueprinting and copying costs and costs not listed above, will be submitted as a direct expense plus markup, *as approved in advance by the Owner.*

SPECIAL CONSULTANT COSTS, such as specialty testing firms, Commissioning Agents, LEED Specialists, and any other specialty consultants that may be required and/or requested, will be invoiced at direct cost plus markup *as approved in advance by the Owner.*

The following is our **Base Hourly Fee Schedule**. We propose that once the level of services is determined, that a mutually agreeable fixed fee for services be developed that can be pro-rated on a monthly basis over the life of the Project.

HOURLY/DAILY/WEEKLY/ANNUAL FEE BASIS				
PROFESSIONAL STAFF	HOURLY FEE SCHEDULE	DAILY RATE	WEEKLY RATE	ANNUAL RATE
PRINCIPALS	\$ 130.00/hour	\$ 1,000.00/day	\$ 4,750.00/week	\$ 230,000.00
PROJECT MANAGER/ EXECUTIVE	\$ 110.00/hour	\$ 700.00/day	\$ 3,000.00/week	\$ 134,000.00
ON-SITE REPRESENTATIVE	\$ 89.00/hour	\$ 600.00/day	\$ 2,400.00/week	\$ 78,000.00
ADMINISTRATIVE SUPPORT (Clerical, Bookkeepers)	\$ 65.00/hour	\$ 300.00/day	\$ 1,200.00/week	\$ 50,000.00

The hourly rates presented herein shall be capped for a period of two years from the commencement date of any contract. Thereafter we agree to an increase of three percent (3%) annually as approved in advance with the Owner.
