Addendum # 1**

**RFP # 7449690**

**Title: Environmental Lead Sample Analysis**

**Submission Deadline: 30 May 2012 @ 10:30 AM (EDT)**

**Question:** Is it acceptable if the laboratory is certified under the State of RI laboratory certification program, and has A2LA ISO 17025 Accreditation for SW 6010C Lead analysis?

**Answer:** Yes, 2LA ISO 17025 Accreditation for SW 6010C Lead analysis is acceptable

**Question:** Our firm is an AIHA accredited laboratory who also holds numerous other state accreditations but we have yet to receive our RI Lead accreditation. Who should I speak with regarding this accreditation and would we be able to submit an acceptable RFP while obtaining the proper documentation?

**Answer:** Your firm must obtain accreditation and not be in the process of obtaining RI Accreditation at the time of submitting the RFP. Information on accreditation can be found at <http://www.health.ri.gov/lists/labs/analytical/index.php>
