July 20, 2012

**Muralist: Interstate 95 South, North of Underwood Avenue, west side adjacent to
Kid's Way, Pawtucket, Rhode Island
Rhode Island Department of Transportation
July 20, 2012**

Scope of Work

The Rhode Island Department of Transportation currently owns and operates highways throughout the State of Rhode Island which have been negatively impacted by graffiti. In order to remediate this public nuisance the Department coordinated with the Governor's Office to prepare a systematic method to reduce, remove and abate graffiti along State highways.

The State of Rhode Island seeks Proposals for a qualified outdoor Muralist to provide professional artistic services in the painting of a mural to be placed on:

- Interstate 95 South, north of Underwood Avenue, west side adjacent to Kid's Way, Pawtucket, Rhode Island. The wall is made of concrete and its dimensions are detailed below.

The Governor's Committee On Mural Art For Route 95 selected the design of this mural. The Department is seeking the services of a Muralist to transfer the mural design at the above location. Each proposal submitted shall provide the following information:

Project Approach and Work Description Including

- Qualifications packet: resume, descriptions of relevant past work, six (6) images of past work on disk and sized to 8 by 10 inches at 300dpi, applicable press and other relevant support materials.
- The product information for the proposed paint.
- Employees of the Muralist whether volunteer or employed. (Please Note that Prevailing Wages apply to applicable employee classifications.)
- Tools and materials needed (scaffolding, electricity, electric lifts, etc.)
- Access needed (times of day, number of days)
- Assistance for ADA Compliance or accommodations of worker(s) if required.

**Interested vendors can pick up a JPEG image of the mural on a CD at the
RIDOT Contracts & Specifications Office, 2 Capitol Hill Room 108 –
Providence, Rhode Island 02903.**

Setup of Visible Barrier

- Prior to the start of work, the Muralist shall submit a plan for a covering that will prevent motorists from seeing the work in progress. The intent is to prevent distractions to the motorist and to maximize the impact of the mural when it is unveiled.

July 20, 2012

Surface Preparation Work Required

- The Muralist shall submit a plan with specific details on masonry primer or other surface preparation; the filling of cracks, voids, and holes in the concrete retaining wall; and removal of existing paint as needed. The Muralist shall consider effects on the schedule for time required for curing of any patching material prior to the application. The Muralist may not alter any expansion joints, nor use any method of abrasive blasting to prepare the surface other than soda-blasting or dry ice-blasting. Power washing with pressurized water may be allowed at pressures not to exceed 2500 psi and provided that protective sheeting is installed prior in order to protect any passing motor vehicles and their occupant(s). The visible barrier defined above will be considered sufficient, if it provides the required protection.
- The Muralist shall not use any solvents as part of their surface preparation with regards to paint removal.

Types of Materials to Be Used

- It is anticipated that the successful Muralist will propose a specific product; however the Department will only accept proposals which use acrylic-based paints for the top coat. Under NO CIRCUMSTANCES will neon, fluorescent or reflective-type colors/materials be permitted.
- Paint System: The Muralist shall select a coating system designed to be applied to concrete surfaces. The systems allowed will be an acrylic type. The Muralist shall submit full documentation on the system proposed for review and approval. The Muralist shall seek guidance from the coating system manufacturer on how best to apply the material. The Muralist shall also make arrangements to have a manufacturer's representative available on site to evaluate the condition of the wall and review the painting operation, if needed.

Protection of Adjacent Property

- The Muralist shall take appropriate steps to insure that the materials used do not discolor or otherwise damage areas not to be painted. This will include masking adjacent areas and providing barriers to protect against over-spray and spillage.
- The Muralist shall follow all appropriate safety procedures to protect workers, pedestrians and motorists. The coatings shall be applied in a professional manner to provide a full scale representation of the approved architectural drawing. The coatings shall be applied in accordance with the manufacturer's guidelines.

Completion Treatment

- The Muralist shall address in the proposal how they will protect the mural – what treatment or sealant they will use to provide a tough, durable protective surface preventing damage from future graffiti, premature wear paint finishes and increased resistance to moisture and pollutants. The treatment/sealant shall be non-sacrificial. The Muralist shall consult the acrylic paint manufacturer for treatments/sealants that are compatible with their product. The Muralist shall outline the steps to be taken, or treatment techniques to be provided to extend the useful life of the mural to protect it from fading, graffiti, bleeding, chipping, etc. Completion costs must be included in the proposal estimate.

July 20, 2012

Design Modifications

- The Muralist shall coordinate with the original artist to discuss placement of the mural on the wall, specific shading and perspective techniques, or any other enhancements to the design and to accommodate any stylistic features. If any modifications in scope, design or materials of the Work are to be made to the approved art design, a full-color rendering on canvas or other suitable material, no smaller than 24” in width and a written request must be made available to the designer and the Selection Committee within one week of the Notice to Proceed.

Timeline for Completion

- The Muralist shall provide an anticipated schedule for project start and finish.
- The Contract Completion Date shall be no later than five (5) weeks from the date of the award.

Installation Need/Equipment and Site Access

- The Muralist shall submit its requirements for any rental equipment costs including tarps, ladders, scaffolding, manlifts, etc. required for the successful completion of this project and include these costs as part of their bid.
- The Department shall prepare a Traffic Management Plan (TMP) stamped by a Professional Engineer, licensed in the State of Rhode Island, for the project. The TMP shall be in conformance with the latest edition of the *Manual on Uniformed Traffic Control Devices (MUTCD)*. The plan must be approved by the Engineer prior to the start of any traffic control operations. The Muralist shall be responsible for implementing the TMP and maintaining all operations within the safe zone provided by the traffic control, so as not to put personnel at risk or interfere with vehicular traffic. This includes accessing the work areas by project personnel and movement of equipment and materials. No deviations will be allowed unless approved in writing by the Engineer prior to any changes in the procedures.

General Conditions

1. The Muralist shall be responsible for submitting as part of their proposal a means and methods report which documents their approach for meeting the contract terms. This report shall include the names and descriptions for all products to be utilized throughout the duration of this contract. Upon submission of bids, the Department will evaluate and perform a thorough review to ensure that all products are environmentally safe, allow for the proper expansion and contraction of the retaining walls and meet the effective needs of this project. If upon review any of the products are deemed inappropriate, the selected Muralist will be responsible for using an acceptable alternative.
2. The Muralist shall be responsible for submitting a lump sum bid, inclusive of all personnel, equipment, materials, traffic control devices and any incidentals.

July 20, 2012

The above work will be further discussed and reviewed during a Pre-Bid Meeting to be held at the Rhode Island Department of Transportation's Traffic Management Center Conference Room, 2 Capitol Hill, Providence, RI. The Pre-Bid Meeting will be held Friday July 27, 2012 at 10:00 AM, for more information please contact Mr. Everett Sammartino at (401) 222-3260 Ext 4427.

Maintenance and Service Warranty

The Muralist shall provide an express warranty for the mural and painting system failures that are the result of improper application of the paint system, for a period of one (1) year from the date of acceptance of the mural by the Department.

The Muralist shall also be responsible for maintaining the integrity of the art work for a period of one (1) year from the date of acceptance of the mural by the Department for minor repairs and touch-ups as needed.

Advance notification and approval by the Department is needed prior to any work. The Department will coordinate with the Muralist for access to the site.

Completion Date

All work shall be completed by the Muralist no later than five (5) weeks from the date of award.

Utility Notification and Coordination

The Muralist is required to call Dig Safe (1-888-344-7233) a minimum of seventy-two (72) hours to coordinate with them and any affected utility before any digging begins.

2012 Holiday Work Schedule

The Muralist shall adhere to the following restrictions regarding day and night work during holiday periods:

No work on the following holidays or the day preceding:

- Memorial Day Monday, May 28
- Independence Day Wednesday, July 4
- Victory Day Monday, August 13
- Labor Day Monday, September 3
- Columbus Day Monday, October 8
- Election Day Tuesday, November 6
- Veterans' Day Monday, November 12
- Thanksgiving Day Thursday, November 22
- Christmas Day Tuesday, December 25

Maintenance Access to Site

The Muralist shall at their expense keep the work area free from debris and open to vehicular traffic at all times unless otherwise authorized by the Engineer in writing at least two (2) working days prior to the specific operation requiring such traffic restrictions. The Muralist shall conduct their work in such a manner as to not interfere with the RIDOT operations at the site or vehicular traffic.

Storage of Construction Materials and/or Equipment

The Muralist shall be solely responsible for securely storing all materials/equipment and shall hold the State of Rhode Island harmless for any loss and/or damages incurred. No Muralist materials and/or equipment shall be stored within the State Right-of-Way throughout the duration of this contract without prior approval by the Engineer in writing.

Inclement Weather Work Stoppage

In the case of inclement weather, work may be stopped by the Engineer, for a period of time, to allow full and unobstructed access to the entire facility site.

Appendix B--Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower tier Covered Transactions

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction", "debarred", "suspended", "ineligible", "lower tier covered transaction", "participant", "person", "primary covered transaction", "principal", "proposal", and "voluntarily excluded", as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower

Tier Covered Transaction, "without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions. *

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION,
AND OTHER RESPONSIBILITY MATTERS
PRIMARY COVERED TRANSACTIONS**

In accordance with the code of Federal Regulations, Part 49 CFR Section 29.5 10, the prospective primary participant

_____, _____, being duly sworn (or executed under penalty of perjury under the laws of the United States), certifies to the best of his/her knowledge and belief, that its principals:

- (a) Are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily Excluded from covered transactions by any Federal department or agency;
- (b) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- (c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification;
- (d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall list exceptions below.

Exceptions will not necessarily result in denial of award, but, will be considered in determining contractor responsibility. For any exception noted, indicate below to whom it applies, the initiating agency, and the dates of the action. Providing false information may result in criminal prosecution or administrative sanctions. If an exception is noted the contractor must contact the Department to discuss the exception prior to award of the contract.

INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. Section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Use the SF-LLL-A Continuation Sheet for additional information if the space on the form is inadequate. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.
2. Identify the status of the covered Federal action.
3. Identify the appropriate classification of this report. If this is a follow-up report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.
4. Enter the full name, address, city, state and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.
5. If the organization filing the report in item 4 checks "Subawardee", then enter the full name, address, city, state and zip code of the prime Federal recipient. Include Congressional District, if known.
6. Enter the name of the Federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.
7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.
8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Proposal (RFP) number, Invitation for Bid (IFB) number, grant announcement number, the contract, grant, or loan award number, the application/proposal control number assigned by the Federal agency). Include prefixes, e.g., "RFP-DE-90-001".
9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.
10. (a) Enter the full name, address, city, state and zip code of the lobbying entity engaged by the reporting entity identified in item 4 to influence the covered Federal action.
(b) Enter the full names of the individual(s) performing services, and include full address if different from 10(a). Enter Last Name, First Name and Middle Initial (MI).
11. Enter the amount of compensation paid or reasonably expected to be paid by the reporting entity (item 4) to the lobbying entity (item 10). Indicate whether the payment has been made (actual) or will be made (planned). Check all boxes that apply. If this is a material change report, enter the cumulative amount of payment made or planned to be made.
12. Check the appropriate box(es). Check all boxes that apply. If payment is made through an in-kind contribution, specify the nature and value of the in-kind payment.
13. Check the appropriate box(es). Check all boxes that apply. If other, specify nature.
14. Provide a specific and detailed description of the services that the lobbyist has performed, or will be expected to perform, and the date(s) of any services rendered. Include all preparatory and related activity, not just time spent in actual contact with Federal officials. Identify the Federal official(s) or employee(s) contacted or the officer(s), employee(s), or Member(s) of Congress that were contacted.
15. Check whether or not a SF-LLL-A Continuation Sheet(s) is attached.
16. The certifying official shall sign and date the form, print his/her name, title, and telephone number.

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0046), Washington, DC 20503.

Certification for Federal-Aid Construction/Consultant Contracts

IN ACCORDANCE WITH PUBLIC LAW 101-1210 SECTION 319 (DEPARTMENT OF THE INTERIOR AND RELATED AGENCIES) THE PROSPECTIVE PARTICIPANT CERTIFIES, BY SIGNING AND SUBMITTING THIS BID OR PROPOSAL, TO THE BEST OF HIS/HER KNOWLEDGE AND BELIEF, THAT:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The prospective participant also agrees by submitting his or her bid or proposal that he or she shall require that the language of this certification be included in all lower tier subcontracts, which exceed \$100,000 and that all such subrecipients shall certify and disclose accordingly.
