**STATE OF RHODE ISLAND  
DIVISION OF PURCHASES  
BID NO. 7458051  
POLICE LIGHTING PACKAGES – MPA #467**

The Rhode Island Department of Administration, Division of Purchases is soliciting pricing for a Master Price Agreement for the purchase and installation of emergency lighting packages for Police Vehicles. The agreement period will be for two years, with an option to renew for one additional year.

The Emergency light package vendor should have a drop code which will allow delivery directly from Ford Motor Company, Chrysler Corporation and General Motors. If the vendor does not have a drop code it will be the up fitter's responsibility to have the vehicles delivered from the Dealer to the up fitters establishment. The vehicles may not be driven from dealer to up fitter. They must be delivered by car carrier. The emergency light package vendor shall be a certified Control Installer by Whelen Engineering INC. Additionally the installer shall be within a 100 mile radius of RI State Police Headquarters located at 311 Danielson Pike, N Scituate RI.

Bidders must give individual prices which include installation as well as package prices to allow The State Police flexibility in putting together lighting packages. All lighting equipment shall be Whelen; **NO SUBSTITUTIONS** on any equipment will be allowed.

The below listed emergency equipment is for reference only. The Department reserves the right to change, alter or modify the specs as needed. All emergency equipment will be installed as specified in the vehicle manufactures OEM up fitter's guide for the current model year. Bid price shall include all necessary cabling, parts and connectors needed.

All emergency equipment will be installed as specified in the vehicle manufactures OEM up fitter's guide for the current model year. Bid price shall include all necessary cabling, parts and connectors needed.

It is the intent to make an award for each item, based on the total package price for each item.

## DELIVERY:

- Pre-delivery, the vehicle shall be serviced and inspected by the emergency package vendor. The emergency package vendor shall be responsible for the complete new vehicle delivery inspection. The engine, transmission, differential and cooling system shall be filled to the manufacturer's recommended capacity and the gas tank filled to capacity prior to delivery. The vehicle will receive a new vehicle cleaning and preparation prior to delivery. All equipment shall be completely installed and adjustments made prior to delivery to make this vehicle available for immediate use. The vehicle shall be free of any defects when delivered.
- A representative from the Rhode Island State Police will inspect the vehicle at delivery for workmanship and appearance before acceptance.
- If any deficiencies are observed and cannot be corrected within two (2) business days, the vehicle will be deleted from the invoice and payment will not be made until corrective action is taken and the vehicle is re-inspected and accepted. It shall be the responsibility of the vendor for the pickup and delivery of the vehicle for re-inspection.
  
- It will be the responsibility of the emergency package vendor to transport the vehicle from the emergency package vendor's location to the delivery destination. The delivery destination will be: *Rhode Island State Police Public Safety Complex, 311 Danielson Pike North Scituate, RI 02857, (401) 444-1048.*
