Vendor Questions for RFP # 7461225 National Core Indicators

Question 1: On page 13, under the heading Additional Applicant Criteria, there is a qualification that an eligible vendor must be non-profit. We are very interested to participate, and offer to you this question:

While our company is a Rhode Island based for-profit customized software provider with extensive experience in customized software solutions for performance and outcomes reporting, would it be permissible to provide information technology support in partnership with an interested not-for-profit (including faith-based) corporation in the State of Rhode Island?

Answer 1: Yes, that would be acceptable.
