ADDENDUM NUMBER THREE

RFQ # 7483402

TITLE: Mathias Building Stair Tower Repairs, DOA

Closing Date and Time: 8/30/13 at 1:45 PM

**Per the issuance of this ADDENDUM #3
(2 pages, including this cover sheet)**

Specification Change /Addition / Clarifications

Listed below are additional Questions and with the Answers we received regarding this Solicitation:

1. Q: Were any test borings done for this project? One of the pile companies has requested the information in order to design the piles. They assert that the information is required to supply a bid. Please advise.

A: No borings were conducted.

2. Q: Provide subsurface boring information so piles can be designed for pricing.

A: No borings were conducted.

3. Are there any subsurface buried utilities between the curb line and the stair tower?

A: Utility location has not been identified; contractor must notify Safe Dig after the construction area is defined.

4. Q: Is this project Sales and Use Tax Exempt?

A: Yes

5. Q: Are building permits required? By which agency?

A: Yes, State of RI Office of the Building Code Commissioner.

6. Q: Does stairway remain in use for the emergency egress?

A: No, occupants have two other means of egress.
