VENDOR QUESTIONS
BID #7533364

- 1) Line #1 Can you confirm that the bars you have are the Whelen JC or JE model?
RESPONSE: Factory installed Whelen Bar is a JC8 Competitor Series Super-LED.

- 2) Line#12 Is this line item to be used in the install of the lights or installed separately left for CCRI to use with other equipment?
RESPONSE: Yes, it is to be used as part of the installation of the equipment being installed under the scope of this project.

- 3) Line #12 Can you confirm where you want this installed in the vehicle, is it to be wired to the battery and fused with the recommended 40 AMP fuse and then left with spare 25' cables for all outputs?
RESPONSE: Yes. It is to be wired and fused with the recommended 40 AMP fuse.

- 4) Line #6 Are these Vertex Split color meaning half red and half blue or are they solid colors and you want 8 of each color under this line item?
RESPONSE: Vertex Split color RED/BLUE one VTX609J per quarter panel. Total of four (4) per vehicle. Total of sixteen (16) for the project. Note that all parts required to surface mount including bezels etc. must be included in pricing.

- 5) No Line # Does CCRI have an available garage on site so that we can come to your location and perform all installation work?
RESPONSE: NO.

- 6) I can offer Code 3 alternatives for lines 2,3,4,5,6, and 9
 - 2.) XT302RB
 - 3.) TRX6B
 - 4.) TRX6R
 - 5.) HB6PAK-PI-W
 - 6.) HB6PAK-PI-RB
 - 9.) C3100U

Please let me know if the above Code 3 parts are acceptable alternatives for the initial Whelen parts.

RESPONSE: Code 3 parts listed above for lines 3, 4, 5, 6, and 9 (C3100U) are accepted alternates provided there are no compatibility issues with other equipment being installed under the scope of this project. Line 2 is not accepted.
