Interested parties should monitor this website, on a regular basis, for any additional information that may be posted.

RFP# 7548396

Title: Electrical Engineering Services Evaluation & Improvements to Primary Service and Emergency Power Zambarano Hospital

Questions:

1. Please provide site visit dates and a copy of electrical drawings. **Site visit completed, Drawings are limited and cannot be deemed accurate.**
2. Is it possible to schedule a walk-through of the site and building interior? **Completed**
3. Is it the intent that the Electrical Engineer will hire an Architect for any building modification that may be required? **Yes**
4. Page 8 of the RFP, Section 4.1 (A) references that you must *include Standard Form 330 (for prime contractor and all sub-contractors) in this section*. However, SF 330 is not referenced anywhere else in the RFP. Do you want the format of this proposal as a full SF 330 with additional information (ie. references, project plan and schedule, and forms requested), or do you just want the resumes and projects in the SF 330 format? **SF 330**
5. We need a site visit in order to provide a bid. **Completed**
6. We need to understand all equipment requiring replacement and upgrading. **Yes**
7. In section 4.2 Part 2 of the abovementioned RFP, you are requiring a Fee Proposal for all services and deliverables. **Yes**
8. Does the Zambarano Hospital intend to provide a walk-thru to become familiar with the site in order to provide the most competitive fee proposal? **Completed**
9. We would like to find the schedule for the site visit, Please provide date and time. **Completed**
