The initial contract period will begin approximately July 1, 2014 and continue through December 31, 2014, subject to availability of funds and/or changes in allocation of funding as more particularly described in Section 3 below. The contract may be renewed for up to three (3) additional one (1) year periods at the exclusive option of the State based upon the evaluation of the grantee agency’s performance and subject to availability of funds and/or changes in allocation of funding, as more particularly described below. Further, DEA reserves the right to not renew contract(s) for any renewal period.

This is a Request for Proposals, not an Invitation for Bid. Responses will be evaluated on the basis of the relative merits of the proposal, in addition to price; there will be no public opening and reading of responses received by the Division of Purchases pursuant to this Request, other than to name those offerors who have submitted proposals.

### **INSTRUCTIONS AND NOTIFICATIONS TO OFFERORS:**

1. Potential vendors are advised to review all sections of this RFP carefully and to follow instructions completely, as failure to make a complete submission as described elsewhere herein may result in rejection of the proposal.

3. Alternative approaches and/or methodologies to accomplish the desired or intended results of this procurement are solicited. However, proposals which depart from or materially alter the terms, requirements, or scope of work defined by this RFP will be rejected as being non-responsive.
4. All costs associated with developing or submitting a proposal in response to this RFP, or to provide oral or written clarification of its content shall be borne by the vendor. The State assumes no responsibility for these costs.
5. Proposals are considered to be irrevocable for a period of not less than 120 days following the opening date, and may not be withdrawn, except with the express written permission of the State Purchasing Agent

6. All pricing submitted will be considered to be firm and fixed unless otherwise indicated herein.

This policy applies to all areas where State dollars are spent, in employment, public services, grants and financial assistance, and in state licensing and regulation. For further information, contact the Rhode Island Equal Opportunity Office at (401) 222-3090.
14. In accordance with Title 7, Chapter 1.2 of the General Laws of Rhode Island, no foreign corporation, a corporation without a Rhode Island business address, shall have the right to transact business in the State until it shall have procured a Certificate of Authority to do so from the Rhode Island Secretary of State (401-2223040). This is a requirement only of the successful vendor(s).
15. The vendor should be aware of the State's Minority Business Enterprise (MBE) requirements, which address the State's goal of ten percent (10%) participation by MBE's in all State procurements. For further information, visit the website: [www.mbe.ri.gov](http://www.mbe.ri.gov) .

16. Every applicant that is awarded funding pursuant to this RFP must enter into a written grant agreement with DEA in a form to be prescribed by DEA and which will contain terms and conditions in addition to those set forth in this RFP.
17. Under HIPAA, a “business associate” is a person or entity, other than a member of the workforce of a HIPAA covered entity, who performs functions or activities on behalf of, or provides certain services to, a HIPAA covered entity that involves access by the business associate to HIPAA protected health information. A “business associate” also is a subcontractor that creates, receives, maintains, or transmits HIPAA protected health information on behalf of another business associate. The HIPAA rules generally require that HIPAA covered entities and business associates enter into contracts with their business associates to ensure that the business associates will appropriately safeguard HIPAA protected health information. Therefore, if a Contractor qualifies as a business associate, it will be required to sign a HIPAA business associate agreement.

## **SECTION 2: BACKGROUND AND PURPOSE**

DEA is the designated State Agency on Aging for the State of Rhode Island, responsible for the development and implementation of a comprehensive, coordinated system of community-based care for citizens sixty years of age and older. A director, appointed by the Governor, manages DEA. Division responsibilities include developing and implementing a State Plan on Aging under the OAA, serving as the state's Single Planning and Service Agency on Aging under the U.S. Administration for Community Living (“ACL”), advocating for the rights of older individuals, operating services designed to assist seniors to remain independent in the community and funding an array of community based services for the elderly. DEA coordinates these efforts and activities of the State Aging Network through the allocation and monitoring of federal and state funds.

Among other things, it is a purpose of Title III of the OAA to encourage and assist in the provision of supportive services for older individuals and the operation of multipurpose senior centers in order to: (a) secure and maintain maximum independence and dignity in a home environment for older individuals capable of self care with appropriate supportive services; (b) remove individual and social barriers to economic and personal independence for older individuals; and (c) provide a continuum of care for vulnerable older individuals. DEA is soliciting proposals pursuant to this RFP that will help DEA to achieve these purposes within the State of Rhode Island, with particular attention to low-income older individuals, including low-income minority individuals, and older individuals with limited English proficiency.

DEA currently anticipates funding **three (3) grants** in the amount of **\$18,770.00** each for the *initial contract period from July 1, 2014 through December 31, 2014*, with the amount of funding available for each of three (3) possible renewal periods of January 1, 2015 through December 31, 2015 (if applicable), January 1, 2016 through December 31, 2016 (if applicable), and January 1, 2017 through December 31, 2017 (if applicable) anticipated to equal **\$37,540.00** per grant.

Such funding is subject to availability of funds allocated to DEA under Title IIIB of the OAA

and/or changes in allocation of funds under Title IIIB of the OAA. In addition, all funding under this RFP is subject to changes in allocation of funding by DEA as a result of budgetary and/or program planning actions taken by DEA. DEA also reserves the right to reduce the number of grants made available for each period and/or to reduce the amount of any grant award(s). DEA also reserves the right to terminate this RFP at any time for any reason whatsoever and also reserves the right to not renew contract(s) for any renewal period(s).

### **SECTION 3: SCOPE OF WORK**

Funds awarded by DEA pursuant to this RFP shall be used exclusively for those services detailed in this Section 3: Scope of Work below in accordance with this RFP, with no exceptions.

#### **Please note:**

DEA has identified a gap in specific geographic regions of the State with regard to the delivery of Title IIIB services described in detail below. DEA may use this funding opportunity to address the geographic gap in access to Title IIIB services, with the objective that elders in every RI community have access to essential services in convenient settings that are close to home.

Eligible applications may be given preference if:

- A) they apply to deliver the services described below for any one of the following three (3) regions:
1. **West Bay Region**, including Warwick, West Warwick, Coventry, East Greenwich, West Greenwich;
  2. **East Bay Region**, including East Providence, Barrington, Warren, Bristol;
  3. **Aquidneck Island Region**, including Newport, Portsmouth, Middletown, Tiverton, Little Compton;
- and
- B) they demonstrate a history of the provision of the types of services described in this RFP for older adults in the region for which they apply.

Eligible applicants may submit proposals for the following services to be provided, targeting low-income older individuals who reside in Rhode Island, including low-income minority individuals, and older individuals with limited English proficiency.

Grantee agencies that are awarded Title IIIB funding must present a comprehensive, detailed initiative that describes a plan that will educate and encourage older individuals to participate in programs and activities that will empower them to remain independent and self-sufficient. The plan should describe, in depth, how allotted funding will be utilized efficiently and effectively to assist and educate older individuals, their families, and caregivers about the benefits of participating in programs that will support wellness and prevent disease. In addition, the initiative must provide an outline of programs and activities uniquely designed toward the needs of older individuals who are chronically ill. The services and programs provided must educate the older individuals and provide them with knowledge about chronic illnesses to empower them to live independently, avoid hospitalization or re-hospitalization, and remain in the community. Your narrative should also include any collaborative work or partnerships with other agencies/programs that support this initiative.

Each Grantee will be required to perform the following activities:

- work with DEA, THE POINT, United Way/211, statewide Regional POINTS, and SHIP, SMP, and MIPPA agencies to assist community members with Medicare, Medicare Part D and other health insurance-related issues;
- assist DEA with OAA Title III Program information dissemination; and
- assist DEA in the promotion to older individuals of, and recruitment of older individual participants for, the RI Department of Health's *Living Well Rhode Island* and other Chronic Disease Self-Management Education programs.

**In addition to the above responsibilities, applicants for Title III B Senior Centers and Supportive Services funds will select at least three (3) of the following service options and demonstrate how they will implement these services *with specificity* in their Proposal:**

- (1) Assistance with transportation services for community members;
- (2) Language translation services to assist older individuals with limited-English speaking ability to obtain services under Title III of the OAA;
- (3) Services designed to support family members and other persons providing voluntary care to older individuals who need long term care services (such as caregiver support groups) and other supportive activities to meet the special needs of caregivers who care for older individuals;
- (4) Financial counseling, as requested;
- (5) Pre-retirement counseling;
- (6) Services designed to enable older individuals to attain and maintain physical and mental well-being through programs of regular physical activity, exercise, music therapy, art therapy, and dance-movement therapy;
- (7) Health (including mental health) and nutrition education services, including information concerning health promotion, as well as prevention, diagnosis, treatment and rehabilitation of age-related diseases and chronic disabling conditions;
- (8) Services to encourage and facilitate regular interaction between students and older individuals, including services for older individuals with limited English proficiency and visits in long-term care facilities, multi-purpose senior centers and other settings;
- (9) Activities to promote and disseminate information about life-long learning programs, including opportunities for distance learning;
- (10) Operation of a multipurpose senior center where seniors will congregate and participate in educational and health awareness programs.
