1. State Contract Addendum-Rhode Island Department of Labor and Training Prevailing Wage Requirements

Effective immediately, the Division of Purchases and RIDOT shall discontinue the use of document 2013-17 entitled "State Contract Addendum-Rhode Island Department of Labor and Training Prevailing Wage Requirements (9/12/13)" for Federal-aid Highway Program funded projects as that document references not only public works prevailing wage requirements, but State apprentice requirements for projects in excess of \$1,000,000. Therefore, please disregard the referenced document that was attached to the solicitation for the subject project.
