ATTACHMENT "B"

Technology for the Art Center to include delivery, installation and setup within designated rooms according to the drawings.

The installation is to be coordinated with the General Contractor, Owners project Manager and/or their designated representative and Rhode Island College representative, and their schedule.

All components for necessary installation, i.e.: brackets, connectors, grommet covers, electrical feeders, etc. are to be included in the final cost.

All debris from packaging is to be removed by furniture installers and removed from the premises. It is the sole responsibility of the installers to unload the delivery trucks.

Immediately after unpacking materials, the Contractor shall collect and remove from the building and/or premises all packing case lumber or other materials, excelsior, wrappings, and other rubbish caused by his operations. Under no circumstances shall the Contractor use any on-site dumpster or dumping facility without prior written permission of the Owner.

At the completion of his work, the Contractor shall leave the work area "broom clean." All materials, hardware, fixtures, and other equipment shall be left undamaged, bright, and polished condition.

All finished surfaces shall be left in perfect condition free of stains, spots, marks, dirt, and other defects.

In the performance of the work, the Contractor shall at all times furnish and maintain proper protection for the floors, walls, ceilings, fixtures, equipment, furniture, and/or other property of the Owner and shall repair any damage hereto caused by the Contractor.
