1.0 GENERAL INFORMATION

1.1 SUMMARY

The Department of Administration Division of Purchases on behalf of the University of Rhode Island (“URI” or “University”), including the Kingston Campus, Feinstein Providence Campus, Narragansett Bay Campus, and W. Alton Jones Campus, invite qualified electricity suppliers (“Suppliers”) to submit bids for electric supply and related services in accordance with the requirements, terms and conditions of this Request for Proposals (RFP).

URI requests that Suppliers provide proposals that address the term and structures requested.

URI has hired the consultant, Competitive Energy Services (“CES”), to assist in the procurement of these electricity supplies. Included in this RFP are the campuses and facilities located at Kingston, Providence, Narragansett Bay, and W. Alton Jones. The intent of the process is to identify the best option for each campus as part of a procurement collaborative. Specifically, the RFP requests that electricity suppliers provide pricing for each campus individually and as an aggregate. Generally, each campus intends to enter into a fixed price contract for some period of time depending on prevailing market conditions. As you will note, the URI and its campuses’ portfolios are changing and growing. These changes need to be considered in the procurement process. The information below provides suppliers with a description of each facility, contract overview and term, specific details, load changes and timelines for each campus.

1.2 UNIVERSITY DETAILS

URI is composed of a main campus in Kingston, RI, as well as three additional campuses which include:

- Feinstein Providence Campus
- Narragansett Bay Campus
- W. Alton Jones Campus

URI is governed by the Rhode Island Board of Education, under the Rhode Island Board of Education, and is composed of 17 members. The President of the University oversees the four campuses.

Seller will adjust Buyer's account following (i) confirmation of the Actual Quantity (ii) any Utility discrepancy or adjustment or (iii) any adjustment to, or re-calculation of, Taxes. Buyer will pay interest on late payments at rates established by the State of Rhode Island in accordance with Chapter 11.1, Title 42 of the General Laws of Rhode Island ("Interest Rate"). Buyer will reimburse Seller for any Taxes that Seller is required to collect and pay on Buyer's behalf. Buyer will furnish Seller with any necessary documentation showing its exemption from Taxes, if applicable, and Buyer will be liable for any Taxes assessed against Seller because of Buyer's failure to timely provide or properly complete any such documentation. If the Force Majeure continues for a period of 30 calendar days or more, or where it is impossible or impracticable for the claiming Party to carry out any obligation under the Agreement due to the Force Majeure either Party may terminate the Agreement with respect to the Transaction Confirmation adversely affected by the Force Majeure upon fifteen (15) Business Days prior written notice. A force majeure event may suspend a payment obligation or other obligation under this Agreement; but, it shall not waive a payment obligation or other obligation required. "Force Majeure" means an event not within the reasonable control of the Party claiming Force Majeure through no negligence of the Party claiming Force Majeure, and that by the exercise of due diligence, such Party is unable to prevent or overcome in a commercially reasonable manner. 10. Financial Responsibility: If during the term of this Agreement, the credit rating of either Party is downgraded to Baa2/BBB or below by one of the following credit agencies: (a) Moody's Investor Service, Inc., (b) The Standard and Poor's Corporation; or (c) Fitch IBCA, Duff & Phelps, the other Party may, at its option terminate this Agreement and any Transaction Confirmation upon thirty (30) days prior written notice to Buyer.

A delay of the obligations provided (i), (iii), or (iv) above caused by a Force Majeure shall not constitute a Default under this Section.

12. **Remedies:** In the event of a Default, the non-defaulting Party may: (i) withhold any payments or suspend performance (ii) upon prior written notice, provided that no notice is required with respect to Section 11(ii), accelerate any or all amounts owing between the Parties and terminate and liquidate any or all Transactions; (iii) calculate a settlement amount by calculating the Liquidation Value for each Transaction being terminated; and (iv) aggregate all settlement amounts and all other amounts owing between the Parties plus reasonable attorney's fees and costs incurred, into one single amount ("Net Settlement Amount"). Any Net Settlement Amount due from the defaulting Party to the non-defaulting Party will be paid within five (5) Business Days of written notice from the non-defaulting Party. Interest on any unpaid portion of the Net Settlement Amount will accrue daily at the Interest Rate.

"Liquidation Value" shall be: (a) Where Seller is the non-defaulting Party, the positive difference if any between the contract price of the Energy for the remaining supply period for any Transaction Confirmation terminated and the market price of the Energy for the remaining supply period of such terminated Transaction Confirmation. (b) Where the Buyer is the non-defaulting Party, the positive difference, if any, between the purchase price at which Buyer obtains alternative Energy supply to cover the remaining supply period for any Transaction Confirmation terminated and the contract price of the Energy for the remaining supply period in any Transaction Confirmation terminated. The price paid by Buyer to its LDC for alternative electricity supply shall be deemed "commercially reasonable." "Market Price" means the price for similar quantities of Energy at the Delivery Point during the applicable Delivery Period provided in a Transaction Confirmation.

The foregoing express obligation of indemnification shall not be construed to negate or abridge any other obligation of indemnification running to the University of Rhode Island , its governing Board and Council and State of Rhode Island that would otherwise exist. The Buyer shall give the Seller prompt and timely notice of any claims, threatened or made, or any law suit instituted against it which could result in a claim for

indemnification hereunder. The extent of this Agreement of indemnification shall not be limited by any obligation or any term or condition of any insurance policy. The obligations set forth above shall survive the expiration or termination of this Agreement.
