## Questions and Answers, RFP 7549123 West Warwick Stormwater Management

**Question 1.** Do you anticipate that West Warwick Town Council members will be on the project steering committee?

**Answer 1.** Yes, probably one or two.

**Question 2.** Task 2, Capital Improvements, notes that 27 identified study locations are to be narrowed to ten priority sites by the contractor. Will field investigations for all 27 sites be required of the contractor?

**Answer 2.** Site-specific data already exists for all 27 sites. Conceptual design deliverables for the ten priority sites can rely on this available data, and extensive field work will not be required.

**Question 3.** Is the Town GIS data available to the contractor?

**Answer 3.** Yes.

**Question 4.** What is the quality level of the current stormwater GIS mapping?

**Answer 4.** The data was good in quality in 2008, but has not been updated since then.
