I. PURPOSE:

To delineate the rules, regulations and procedures that must be followed by all contractors who provide services to the Rhode Island Department of Corrections (RIDOC) in its institutional facilities.

II. POLICY:

It is imperative that all contractors providing services in RIDOC's institutional facilities fully understand and adhere to the rules, regulations and procedures as directed by the

Department, to include the Department's Code of Ethics and Conduct (policy 3.14-2 DOC, or a successive policy). Failure to adhere to these rules and regulations may result in a delay of payment or non-payment of invoices, suspension of the contractor's or contractor's representative authorization to provide continuing services, and/or termination of the contract with RIDOC.

Departmental contract managers are responsible for the dissemination of this policy to all appropriate contractors and to ensure that contractors fully understand these rules and regulations. Contractors are, in turn, responsible for disseminating this policy to appropriate employees and subcontractors.

III. PROCEDURES:

A. Definition

For the purposes of this policy, a contractor is defined as any individual, organization, business, or program provider other than RIDOC employees who have been contracted by the State (or sub-contracted to a contractor of the State), or who are otherwise compensated to provide goods or services to RIDOC and who are required to enter secure areas of a correctional institution.

B. Orientation Program

1. If a contractor is to provide services which bring its workers into regular contact with inmates, such contractor or contractor's employees may be required to participate in an orientation program conducted by RIDOC's Training Academy in consultation with the appropriate administrator.

   NOTE: This training shall include instruction that RIDOC has a zero-tolerance policy regarding sexual abuse and sexual harassment of inmates as well as other duties and responsibilities mandated by the Prison Rape Elimination Act Standards.

2. RIDOC contract managers should consult with the Assistant Director of Institutions and Operations or designee if there is a question as to the appropriateness of this training for a contractor or employees of the contractor.

   NOTE: Any contractor who is exempted from NEO training shall be notified in writing by the RIDOC Contract Manager that RIDOC has a zero-tolerance policy regarding sexual abuse and sexual

harassment of inmates as well as other duties and responsibilities mandated by the Prison Rape Elimination Act Standards.

3. If an orientation is needed, it is the responsibility of the contract manager to arrange a session with the Training Academy.

4. A schedule of training can be obtained from the Training Academy.

C. ID Requirement

1. Contractors who are required to perform services within institutional facilities must obtain security clearances consistent with policy 9.23-2 DOC, Access to ACI Facilities by Staff and Persons Providing Services to RIDOC, or a successive policy.

2. A Photo Identification Card/Access to Facilities Application Form is submitted to the contract manager, who, in turn, processes the application with RIDOC's Identification Unit. (See policy # 9.23-2 DOC, Access to ACI Facilities by Staff and Persons Providing Services to RIDOC, or a successive policy, for application form.)

3. Upon completion of service and/or expiration of contract, or upon the expiration date of the badge, identification badges must be returned to the contract manager. The contract manager then notifies the Assistant Director of Institutions and Operations or designee so that the contractor's employees' information maintained in applicable RIDOC databases may be updated.

For those contractors who are not issued ID badges, the contract manager, upon completion of service and/or expiration of contract, notifies the Assistant Director of Institutions and Operations or designee so that the contractor's employees' information maintained in applicable RIDOC databases may be updated.

D. Work Hours

1. General - Contractor work hours are scheduled either:

a. In accordance with the provisions set forth in the contract; or

b. As scheduled by the contract manager prior to the commencement of work.

c. No work is performed on Saturdays, Sundays, or holidays, unless authorized by the contract manager.

2. Facilities and Maintenance - Staff calls/faxes a request for service repairs.

b. Contractor employees report to the Facilities and Maintenance Office to sign-in the appropriate logbook and contact the facility in need of service.

NOTE: Regardless of pre-scheduling, the Warden, Deputy Warden, or Shift Commander of the facility may, at any time, prohibit entry into a facility when deemed necessary for security purposes. **The Shift Commander MUST contact the facility administrator before making this decision.**

c. Contractor reports to the facility and makes the necessary repairs. Contractor has the work order slip signed by a RIDOC staff member (e.g., maintenance personnel, steward, fire safety technician, or correctional officer escorting the contractor).

d. Contractor leaves the facility and reports back to the Facilities and Maintenance Office to sign-out of logbook, relay any necessary information, and present signed service slip.

NOTE: All invoices noting hours worked must coincide with the sign-in/out hours in the aforementioned log book.

e. If it is necessary for service calls to be extended beyond 4:00 p.m., contractor staff call the Facilities and Maintenance Office from within the facility where service is being performed and leave a voice mail message including departing day, date, time, facility location and extension from which s/he is calling.

f. Sign-in/sign-out procedures:

Any contractor required to enter a RIDOC facility which houses inmates must abide by facility sign-in and sign-out requirements.

6. Contractors shall not have weapons of any sort on their persons or in their vehicles.

7. Contractors must park in designated parking areas and must lock all vehicles.

8. All contractors entering ACI facilities shall exercise professional discretion with regard to their clothing. The Shift Commander shall have the final authority as to whether the attire of any contractor is inappropriate and/or poses a risk to the security or order of the facility and if that contractor shall be barred from entering a facility.

9. Contractors shall have no contact with inmates, except where such contact is a provision of the contract. When an inmate or a contractor has initiated inappropriate contact, such contact shall be immediately reported by the inmate or the contractor, or by the person having such knowledge, to the Correctional Officer in charge.

10. Any contractor who engages in sexual abuse of an inmate shall be prohibited from contact with inmates and shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to relevant licensing authorities.

All contractors are required to follow the procedures set forth in section III.A. of RIDOC policy 9.18-4 DOC, Introduction of Unauthorized Items into the Adult Correctional Institutions, or a successive policy. Any special circumstances which require an exception from these procedures must be approved by the facility Warden or designee. Contract managers shall facilitate these exceptions.

It is the responsibility of the contract manager to distribute a copy of policy 9.18-4 DOC, Introduction of Unauthorized Items into the Adult Correctional Institutions, or a successive policy, to all contractors.

15. Contractors are permitted to perform only the work authorized by the contract manager or his/her express designee. They may not accept direction as to the scope of work, the nature of the work, or changes to the work from any other person.

16. Upon entry into a RIDOC facility, all persons other than uniformed facility staff are required to produce proper identification (picture I.D.) and surrender it to the Main Control Center or Vehicle Trap Officer. The Main Control Center or Vehicle Trap Officer issues a facility I.D. badge and retains the person's personal I.D. The process reverses when exiting the facility. Persons not possessing proper identification are denied admittance/access.

I. PURPOSE:

Tobacco use, particularly smoking, remains the number one cause of preventable disease and death in the United States. Involuntary exposure to environmental tobacco smoke (ETS) remains a common, serious public health hazard that is entirely preventable by adopting and enforcing policies. Smoking bans are the most effective method for reducing ETS exposure and are the only way to completely eliminate ETS exposure. Beyond eliminating ETS exposure among nonsmokers, smoking bans have additional benefits, including improved fire safety, reduced ~~smoking intensity~~, potential cost savings to employers by way of lower healthcare and building maintenance costs and higher employee productivity due to reduced absenteeism. In addition, all tobacco products (including chewing tobacco) have an adverse effect on

health, sanitation, and the condition of the physical plant. Optimal protection of nonsmokers and smokers, therefore, requires a smoke-free environment.

Given correctional facilities' unique settings, the national trend of correctional jurisdictions adopting total smoking bans within their prison systems and that ETS exposure remains a common public health hazard that is entirely preventable, the Rhode Island Department of Corrections (RIDOC) intends to eliminate the problems and risks associated with exposure to tobacco and ETS to staff, inmates, visitors, contractors, and property under the control of RIDOC by implementing a total ban on the use of tobacco products within its facilities.

II. POLICY:

All possession and use of tobacco products and their accessories, including but not limited to pipes, cigarettes, cigarette papers, chewing tobacco, cigars, matches and lighters, is prohibited within any and all buildings, vehicles, and property under the control of the RIDOC. (See, 9.18-4 DOC, Introduction of Unauthorized Items into the Adult Correctional Institutions, or a successive policy.)

In addition, electronic cigarettes (e-cigarettes) are also prohibited within any and all RIDOC buildings, vehicles and property.

III. PROCEDURES:

A. Applicability

This policy applies to, but is not necessarily limited to, RIDOC administrators, medical professionals, correctional and superior officers, non-uniformed personnel, contract employees, contractors, volunteers, students, and interns.

B. RIDOC Staff

1. The USE of tobacco products and/or accessories, e-cigarettes and their components is prohibited within any building, vehicle, and/or property under the control of the RIDOC.

2. In addition, RIDOC employees as defined in item III.A. are prohibited from having tobacco products and/or accessories, e-cigarettes and their

components in their POSSESSION when they are supervising or have custody of inmates.

a. Staff who work in any prison facility or "out building" (e.g., Industry shop) must deposit any/all tobacco products and/or accessories, e-cigarettes and their components in their lockers PRIOR TO assuming their posts.

b. Staff who enter/visit any prison facility or "out building" (e.g., to tour the facility, to attend a meeting, to conduct an audit, etc.) may not have any tobacco products, accessories, e-cigarettes and their components in their possession.

3. Smoking by RIDOC employees shall only be permitted during authorized breaks in designated "outside smoking areas" at least fifty (50) feet away from building entrances and windows.

4. Facility and building administrators or their designees will designate one outside smoking area per building.

NOTE: Inmate recreational areas shall not be considered outside smoking areas.

5. Facility and building administrators or their designees shall also ensure that adequate refuse containers are available to smokers in close proximity to outdoor smoking areas. Facility and building administrators ensure that such containers shall be emptied on a regular basis. Smokers shall destroy or render unusable their discarded tobacco products and accessories prior to discarding them.

6. RIDOC employees having custody of or supervising inmates (e.g., off-grounds work crews) shall not smoke, use tobacco-related products, or e-cigarettes and their components while on duty in the presence of inmates.

7. Violations of this policy may result in disciplinary action up to and including termination.

C. Inmates

1. No tobacco products, e-cigarettes and their components shall be stocked or sold by the Inmate Commissary.

2. Smoking, the use/possession of tobacco-related products, or e-cigarettes and their components by inmates is prohibited.

3. Passing, receiving and/or possessing tobacco, tobacco-related products, or e-cigarettes and their components (Category 1 contraband) is a Class 2 offense. Discipline shall be administered consistent with policy 11.01-6 DOC, Code of Inmate Discipline, or a successive policy.

4. Upon commitment to the Intake Service Center (ISC) (men) or the Gloria DiSandro McDonald building (women), RIDOC staff shall search for and dispose of any tobacco, tobacco-related products, or e-cigarettes and their components. These items shall be destroyed.

NOTE: Information regarding the "Smoking and Tobacco Regulations" policy will be included in inmate handbooks and outlined during inmate orientation.

D. Visitors

1. Wardens or designees will ensure that signs in English and Spanish are posted outside each facility stating that visitors are prohibited from bringing any tobacco-related items into the facility. Visitors shall secure all tobacco-related items in lockers located in facility lobbies.

2. Any visitor refusing to comply with the "Smoking and Tobacco Regulations" policy shall be denied visiting privileges. (See policy 24.03-4 DOC, Visits, or a successive policy.)
