(MPA #429)**

**SUBMISSION DEADLINE: 2/20/15 – 11:30 am.**

---

Cost Proposal Clarification:

As cited in the project RFP, Respondents are not required to offer a cost for all the categories of inspectors identified.

In the absence of a proposed price for a particular category, the State will use the highest competitor's hourly rate (extended price), for the value of that particular category which will be used as a placeholder. This will be an evaluative tool only, and any resulting award(s) will be for the inspector category being offered.

A handwritten signature in cursive script, appearing to read "Lisa Hill", written over a horizontal line.
