Delivery: \_\_\_\_\_

Terms of Payment: \_\_\_\_\_

It is the Vendor's responsibility to check and download any and all addenda from the RIVIP. This offer may not be considered unless a signed RIVIP generated Bidder Certification Cover Form is attached and the Unit Price column is completed. The signed Certification Cover Form must be attached to the front of the offer

The Vendor shall provide, deliver, set-up and cable-tie (where required by state fire regulations) 18,500 **vinyl chairs** for the University's Commencement exercises for calendar years 2015, 2016, 2017, 2018 and 2019. The number of chairs may vary from year to year. Any significant change in the number will be provided to the Vendor by January 31 of the Commencement year.

The resulting contract will be for a period of FIVE (5) YEARS with the option to renew for two (2) additional one-year periods. The successful company will hold prices firm for the first five years and the price for each renewal year may not be increased more than three percent (3%). Confirmation of pricing will be obtained prior to executing any extensions beyond the initial 5-year period.

The Vendor shall provide clean, fully serviceable chairs in like-new condition for Commencement exercises. Dirty, faded, stained, rusty and/or broken/twisted chairs will not be accepted by the University. All chairs must have caps on the chair legs.

The University will inform the Vendor of the number of chairs designated for each Commencement site prior to delivery and set-up on Friday and Saturday. The primary contact for the Vendor will be the Assistant Director of Facilities Services, Custodial Services Department.

The chairs shall be delivered and set up as specified below to three primary locations:

- (1) The Main Quadrangle (outside)
- (2) Mackal Field House/Keaney Gymnasium (inside)
- (3) Pharmacy Quadrangle (outside)

The University shall retain the right to apportion chairs between the three primary locations to meet its needs, and may specify that smaller chair allotments (less than 200 chairs) be delivered, set up and zip-tied for Commencement exercises in Swan Hall, Edwards Auditorium and Fine Arts, etc.

All chair allocations shall be drawn from the total allotment of 18,500 chairs.

Over the contract term, the University may require more than 18,500 chairs to meet needs that are not presently known or anticipated. As such, the University requests that the Vendor provide a unit price for additional chairs in excess of 18,500.

The Vendor shall conduct an accurate chair count at all sites to verify that all chairs have been delivered as required herein.

The University shall enter verified totals on a University-provided chair checklist, and will request that the Vendor attest to the accuracy of the count by signing the checklist. The checklist will specify the number of chairs delivered by site, and specify that all chairs have been cable-tied as required by state fire regulations.

Once Commencement exercises are over, the Vendor shall conduct an accurate chair count at all sites. The University shall enter verified totals on a University-provided chair checklist, and will

request that the Vendor's representative attest to the accuracy of the count by signing the checklist.

The University will reimburse the Vendor for any losses at the awarded unit chair price.

The Vendor shall exercise care not to drive heavy vehicles (including delivery trucks, pallet trucks and/or lifts) on grassy areas, including - but not restricted to - the Main and Pharmacy Quadrangles. No delivery trucks, pallet trucks or lifts may be driven on brick sidewalks on the Main Quadrangle.

All chairs shall be delivered clean and fully functional. The Vendor shall use schematics and instructions provided by the University to set up all delivered chairs. The schematics will indicate how a given location is to be set up.

For any given setup/location, the chairs in that setup/location must be the same color. Hence, for the Main Quadrangle, all chairs must be the same color; for the Keaney setup, all chairs must be the same color; for the Mackal setup, all chairs must be the same color; for the Pharmacy Quadrangle setup, all chairs must be the same color, etc.

The Vendor must provide an onsite supervisor at all times during the setup to ensure that the integrity of individual rows and spacing between rows is maintained. Under no circumstance will the University accept responsibility for supervising the delivery, set up or breakdown of chairs, nor will the University incur any cost if it requires the Vendor to dismantle and re-do improperly spaced rows. There is an implicit understanding, however, that the University and the Vendor shall work together closely to avoid costly errors stemming from improperly set up rows.

The Vendor is responsible for unloading, set up, zip-tying, breakdown (including removal and disposal of zip ties), and reloading of all chairs.

State regulations pertaining to chair setups are subject to change. The Vendor is responsible at all times for adhering to current federal and state regulations.

The following is the state fire regulation (as of February 2014) that pertains to secured seating:

*12.7.9.1 secured seating.*

*12.7.9.1.1. Seats in assembly occupancies accommodating more than 200 persons shall be securely fastened to the floor, except where fastened together in groups of not less than three as permitted by 12.7.9.1.2 and 12.7.9.2*

**A. Main Quadrangle area**

It is anticipated that 11,600 chairs shall be set up on the Main Quadrangle. Chair quantities designated for the Main Quadrangle are subject to change.

The schematics will contain the precise layout for the chairs by section, to include but not limited to (1) 50<sup>th</sup> class seating (2) disability seating (3) VIP seating (4) undergraduate seating and (5) general seating. Schematics will also be provided for smaller satellite locations, if any.

Commencement exercises on the Main Quadrangle take place on Sunday as specified below

- Sunday, May 17, 2015
- Sunday, May 22, 2016
- Sunday, May 21, 2017
- Sunday, May 20, 2018
- Sunday, May 19, 2019

The Vendor shall commence and complete chair deliveries/set ups to the Main Quadrangle on the Friday and Saturday before the main Commencement ceremonies (which take place on Sunday).

The Friday/Saturday setup days are as follows:

- Friday, May 15, 2015 **and** Saturday, May 16, 2015
- Friday, May 20, 2016 **and** Saturday, May 21, 2016
- Friday, May 19, 2017 **and** Saturday, May 20, 2017
- Friday, May 18, 2018 **and** Saturday, May 19, 2018
- Friday, May 17, 2019 **and** Saturday, May 18, 2019

**The chair set up must be completed no later than 10 pm on the Saturday prior to Sunday Commencement ceremonies.**

All chairs will be counted/verified by the Vendor and the University. The count must be completed on Saturday before the Vendor leaves for the day. The University and Vendor must attest to the accuracy of the count at the completion of the setup on Saturday.

The Vendor may begin removing the chairs on the Main Quadrangle following the main Commencement ceremonies on Sunday afternoon. Chair removal may commence at approximately 5:00 pm, **but authority to begin removing chairs must be obtained by the Vendor from the Assistant Director of Facilities, Custodial Services Department.** Chair removal will be completed no later than Monday following Commencement.

Vehicles may not drive on the lawn in the Main Quadrangle or elsewhere. Forklifts may be used on the lawn **only by prior arrangement with the University**, and only if the vehicles have balloon tires that will not harm the grass.

Trailers/trucks must be removed on Saturday from the Main Quadrangle after completion of the Saturday setup. If approved by the University, trailers may be parked on University premises in advance of commencement exercises to enhance the effectiveness of the chair set up. In this circumstance, the University shall specify the exact date when the trailers may be brought in, and will provide a designated parking area.

1. General standards:

The standard employed in setting up chairs on the Main Quadrangle is as follows:

Painted or chalked lines are provided by the University for use by the Vendor in accurately setting up chairs on the main quadrangle.

The Main Quadrangle chair setup is laid out by URI's Facilities Services Department. Painted lines are employed to delineate the exterior contour of major sections. Lines are not painted within these sections, but paint or tape marks will be applied on both sides of the major contour lines to indicate where rows are to be placed. A successful set up in a given section begins with perfect placement and spacing of the first row of chairs at the head of that section.

The first row of chairs in each section must be placed carefully within the painted lines at the head of that section, such that the front legs of the chairs in the first row almost touch the inside of the painted line that begins the section. The two chairs at either end of the first row must also be placed within the painted lines on each side of that section. All subsequent chairs in a given section must be evenly spaced (see next paragraph for additional chair-spacing requirements). The rows must be gently curved from one end to the other and chairs on each side of the row must be just inside the painted or chalked lines.

Once the first row of chairs in any given section is in place, the next row must be placed carefully behind it such that the gentle curve is maintained from side to side. The distance between the back leg of the first row and front leg of the second row is exactly equivalent to one chair (back to front) plus two inches. (That is, there should be space for one whole row of "imaginary" chairs to fit between the two rows - plus two inches to allow for adequate space between rows - if that "imaginary" row were inserted between the first and the second rows.)

If the University determines that the chair set up is not balanced in any respect; or that spaces between rows are not satisfactory; and/or that the curve of the chair rows is not properly maintained, the University shall direct the Vendor to undo any row that does not meet its requirements (and all the rows behind it), and start over where the set up error occurs.

It is crucial that the Vendor assign an onsite supervisor capable of ensuring that the chair set up proceeds in an effective and orderly manner.

2. 50<sup>th</sup> class seating and disability seating

The Vendor shall follow the schematic provided by the University for setting up the 50<sup>th</sup> class seating and disability seating.

The 50<sup>th</sup> class seating and disability seating share one large section on the northwest corner of the Main Quad around which pipe and drape is set up by another vendor. This large section is split into two smaller sections by a rope that extends from side to side directly behind the last

row in 50<sup>th</sup> class seating. This rope is set up by the URI rope crew on either Saturday afternoon or early Sunday morning.

Approximately 55 chairs make up the 50<sup>th</sup> class seating, although this number fluctuates from year to year.

Disability seating includes both standard seating and seating for wheel chairs. The standard employed herein is as follows, and is subject to change:

The disability seating section includes both seating for a prescribed number of wheel chairs along with upwards of 700 vinyl chairs for non-accessible seating. Wheel chairs and non-accessible seating within this section will be interspersed. The University will provide a schematic for this area, and will advise the Vendor if there are any changes to this set up.

### 3. VIP seating

Approximately 300 chairs are set aside for VIP guests in a section on the southwest corner of the Main Quad. To address aesthetic concerns, the University will require the Vendor to complete the last row in the VIP section, even if this means that there may be a few seats that are not used. Once the chairs in this section have been set up, URI will extend a rope from one side of the section to the other behind the last row of VIP chairs. Chairs on the back side of this rope are designated as general seating.

### 4. Undergraduate seating

The number of undergraduate seats varies from year to year, but is approximately 2900-3000. Once these seats have been set up, ropes are extended from one side to the other of the undergraduate seating section at the rear of the seating sections. The ropes, and a large, buffer zone with no chairs behind the ropes) serve to separate undergraduate seating in the front from general seating in the rear.

### 5. General seating

Approximately 11,600 total general seating chairs are set up in sections behind the undergraduate and VIP seating sections. Once the rows of general seating chairs reach the far eastern end of the Main Quad (where flag poles are erected in a line from south to north), no further chairs will be set up. Instead, the Vendor shall leave the remainder of the chairs folded and stacked in groups of 50, distributed from south to north on the east side of the flag poles, according to instructions provided by the Assistant Director of Facilities, Custodial Services Department.

## **B. Mackal Field House / Keaney Gym**

It is anticipated that 5,200 chairs shall be set up in Mackal Field House and Keaney Gym. Chair quantities designated for the Mackal/Keaney are subject to change.

The schematics will contain the precise layout of the following sections (but not limited to): (1) disability seating (2) undergraduate seating and (3) general seating.

The University POC for the Mackal Field House / Keaney Gym will be the Director of Recreation.

Commencement exercises in Mackal Field House/Keaney Gym take place on Sunday as specified below:

- Sunday, May 17, 2015
- Sunday, May 22, 2016
- Sunday, May 21, 2017
- Sunday, May 20, 2018
- Sunday, May 19, 2019

The chairs designated for Mackal Field House/Keaney Gym shall be delivered beginning no later than 9:00 am on the following dates:

- Friday, May 15, 2015 **and** Saturday, May 16, 2015
- Friday, May 20, 2016 **and** Saturday, May 21, 2016
- Friday, May 19, 2017 **and** Saturday, May 20, 2017
- Friday, May 18, 2018 **and** Saturday, May 19, 2018
- Friday, May 17, 2019 **and** Saturday, May 18, 2019

It is anticipated that **5200 clean, like-new vinyl folding chairs** shall be delivered to Mackal Field House/Keaney Gym. Chairs shall be unloaded from the truck no later than 9 am on Friday. Unless otherwise requested, chairs shall be loaded/unloaded through large overhead doors located at the rear of Mackal Field House.

The University **requests** that all chairs delivered to Mackal Field House/Keaney Gym be the same color. If this is not possible, the University **requires** that the chairs used in Mackal Field House be the same color, and that chairs used in Keaney Gym be the same color.

The Vendor is responsible for unloading, set up, zip-tying, breakdown (including removal and disposal of zip ties), and loading of all chairs.

Of these anticipated **5200 chairs**, it is anticipated that **4200** chairs shall be set up in **Mackal Field House**, and that **1000** chairs shall be set up in **Keaney Gym**. All chairs shall be zip-tied pursuant to state fire regulations.

All chairs will be counted/verified by the University on Friday following the completion of the setup.

The Vendor shall remove the chairs (and remove and dispose of zip ties) set up in Mackal Field House/Keaney Gym no later than **10 pm** on the following dates:

Sunday, May 17, 2015  
Sunday, May 23, 2016  
Sunday, May 21, 2017  
Sunday, May 20, 2018  
Sunday, May 19, 2019

The Vendor shall ensure that the truck(s) used for the setup and breakdown do not block vehicular traffic in any way behind or around the Athletic Complex, both on the day of the setup and the day of the breakdown. There is an expectation that restroom trailers may be parked in the back of Mackal, and that their location may affect the chair delivery and/or setup in ways that cannot be specified herein. The University will work closely with the Vendor to provide access to the loading doors.

One week prior to the set-up, the Vendor shall request a gate pass from the Assistant Director of Facilities Services, Custodial Services Department, to ensure that the Vendor's truck(s) can pass through the gates behind the Athletic Complex for both set up and breakdown.

1. General standards:

The standard employed in setting up chairs in Mackal Field House/Keaney Gym is as follows:

Chalked lines are provided by the University for use by the Vendor in accurately setting up chairs.

The chalk lines are laid out by URI's Facilities Services Department prior to the Friday set up. Chalked lines are employed to delineate the exterior contours of major sections. Typically, lines are not chalked within these sections, but chalked or taped marks may be added on the outside contours (both sides) of each given section to indicate where rows are to be located. A successful set up in a given section begins with perfect placement and spacing of the first row of chairs at the head of that section.

The first row of chairs in each section must be placed carefully within the chalked lines at the head of that section, such that the front legs of the chairs in the first row almost touch the inside of the chalked line that begins the section. Depending upon space considerations, an inch or two may be added (front to back) to rows to make them more accessible. The two chairs at either end of the first row must also be placed within the chalked lines on each side of that section. All subsequent chairs in a given section must be evenly spaced.

If the University determines that the chair set up is not balanced in any respect; or that spaces between rows are not satisfactory; and/or that the curve (if any) of the chair rows is not properly maintained, the University shall direct the Vendor to undo any row that does not meet its requirements (and all the rows behind it), and start over where the set-up error occurs.

It is crucial that the Vendor assign an onsite supervisor capable of ensuring that the chair set up proceeds in an effective and orderly manner.

## 2. Disability seating

The Vendor shall follow the schematic provided by the University for setting up the disability seating.

Disability seating includes both standard seating and seating for wheel chairs.

The Vendor will be notified in advance of Commencement if there are any changes to the setup schematic.

## C. Pharmacy Quadrangle - TENT

It is anticipated that 1700 chairs shall be set up in the Pharmacy Quadrangle tent. Chair quantities designated for the Pharmacy Quadrangle tent are subject to change.

The schematics will contain the precise layout of the following sections: (1) disability seating (2) undergraduate seating and (3) general seating.

The University POC for the Pharmacy Quadrangle setup will be the Assistant Director of Facilities Services, Custodial Services Department.

Commencement exercises in the Pharmacy Quadrangle tent take place on Sunday as specified below:

Sunday, May 17, 2015

Sunday, May 23, 2016

Sunday, May 21, 2016

Sunday, May 20, 2018

Sunday, May 19, 2019

The chairs designated for Pharmacy Quadrangle tent can be set up as early as Friday before Commencement exercises, but shall be set up no later than 6 pm on the following dates:

Friday, May 15, 2015 **and** Saturday, May 16, 2015

Friday, May 20, 2016 **and** Saturday, May 21, 2016

Friday, May 19, 2017 **and** Saturday, May 20, 2017

Friday, May 18, 2018 **and** Saturday, May 19, 2018

Friday, May 17, 2019 **and** Saturday, May 18, 2019

The University **requests** that all chairs delivered to the Pharmacy Quadrangle tent be the same color.

The Vendor is responsible for unloading, setup, zip-tying, breakdown (including removal and disposal of zip ties), and loading of all chairs.

All chairs will be counted / verified by the University on Saturday following the completion of the setup, and again before the breakdown commences.

The Vendor may breakdown the Pharmacy Quadrangle tent chairs on Sunday after Commencement exercises are over. The chairs must be removed no later than **10 pm** on the following dates:

Sunday, May 17, 2015

Sunday, May 23, 2016

Sunday, May 21, 2017

Sunday, May 20, 2018

Sunday, May 19, 2019

Authority to commence the breakdown must be obtained by the Vendor from the Assistant Director of Facility Services, Custodial Services Department.

#### **D. Miscellaneous chairs**

From year to year, and time to time, the University may require the Vendor to provide and set up chairs to building interiors in Swan Hall, Edwards Hall, Fine Arts (and/or other buildings) for use in Commencement exercise, or to other locations (interior or exterior) to meet the University's needs.

These chairs will be drawn from the total allotment of chairs (**18,500**) provided by the Vendor. The University shall provide instructions to the Vendor on where, how and when these miscellaneous chairs are to be set up.

All chairs must be zip-tied in accordance with fire regulations.

**Terms and Conditions**

**BID STANDARD TERMS AND CONDITIONS**

**TERMS AND CONDITIONS FOR THIS BID**

**INSURANCE REQUIREMENTS**

AN INSURANCE CERTIFICATE IN COMPLIANCE WITH PROVISIONS OF ITEM 31 (INSURANCE) OF THE GENERAL CONDITIONS OF PURCHASE IS REQUIRED FOR COMPREHENSIVE GENERAL LIABILITY, AUTOMOBILE LIABILITY, AND WORKERS' COMPENSATION AND MUST BE SUBMITTED BY THE SUCCESSFUL BIDDER(S) TO THE DIVISION OF PURCHASES PRIOR TO AWARD. THE INSURANCE CERTIFICATE MUST NAME THE STATE OF RHODE ISLAND AS CERTIFICATE HOLDER AND AS AN ADDITIONAL INSURED. FAILURE TO COMPLY WITH THESE PROVISIONS MAY RESULT IN REJECTION OF THE OFFEROR'S BID. ANNUAL RENEWAL CERTIFICATES MUST BE SUBMITTED TO THE AGENCY IDENTIFIED ON THE PURCHASE ORDER. FAILURE TO DO SO MAY BE GROUNDS FOR CANCELLATION OF CONTRACT.

NOTE: IF THIS BID COVERS CONSTRUCTION, SCHOOL BUSING, HAZARDOUS WASTE, OR VESSEL OPERATION, APPLICABLE COVERAGES FROM THE FOLLOWING LIST MUST ALSO BE SUBMITTED TO THE DIVISION OF PURCHASES PRIOR TO AWARD: \* PROFESSIONAL LIABILITY INSURANCE (AKA ERRORS & OMISSIONS) - \$1 MILLION OR 5% OF ESTIMATED PROJECT COST, WHICHEVER IS GREATER. \* BUILDER'S RISK INSURANCE - COVERAGE EQUAL TO FACE AMOUNT OF CONTRACT FOR CONSTRUCTION. \* SCHOOL BUSING - AUTO LIABILITY COVERAGE IN THE AMOUNT OF \$5 MILLION. \* ENVIRONMENTAL IMPAIRMENT (AKA POLLUTION CONTROL) - \$1 MILLION OR 5% OF FACE AMOUNT OF CONTRACT, WHICHEVER IS GREATER. \* VESSEL OPERATION - (MARINE OR AIRCRAFT) - PROTECTION & INDEMNITY COVERAGE REQUIRED IN THE AMOUNT OF \$1 MILLION.

**MULTI YEAR AWARD**

THIS IS A MULTI-YEAR BID/CONTRACT. PER RHODE ISLAND STATE LAW 37-2-33, CONTRACT OBLIGATIONS BEYOND THE CURRENT FISCAL YEAR ARE SUBJECT TO AVAILABILITY OF FUNDS. CONTINUATION OF THE CONTRACT BEYOND THE INITIAL FISCAL YEAR WILL BE AT THE DISCRETION OF THE STATE. TERMINATION MAY BE EFFECTED BY THE STATE BASED UPON DETERMINING FACTORS SUCH AS UNSATISFACTORY PERFORMANCE OR THE DETERMINATION BY THE STATE TO DISCONTINUE THE GOODS/SERVICES, OR TO REVISE THE SCOPE AND NEED FOR THE TYPE OF GOODS/SERVICES; ALSO MANAGEMENT OWNER DETERMINATIONS THAT MAY PRECLUDE THE NEED FOR GOODS/SERVICES.

**PURCHASE AGREEMENT BID**

BIDDING (a) A single price shall be quoted for each item against which a proposal is submitted. This price will be the maximum in effect during the agreement period. Any price decline at the manufacturer's level shall be reflected in a reduction of the agreement price to the State. (b) Quantities, if any, are estimated only. The agreement shall cover the actual quantities ordering during the period. Deliveries will be billed at the single, firm, awarded unit price quoted regardless of the quantities ordered. (c) Bid price is net F.O.B. destination and shall include inside delivery at no extra cost. (d) Bids for single items and/or a small percentage of total items listed, may, at the State's sole option, be rejected as being non-responsive to the intent of this request. ORDERING (a) The User Agency(s) will submit individual orders for the various items and various quantities as may be required during the agreement period. (b) Exception - Regardless of any agreement resulting from this bid, the State reserves the right to solicit prices separately for any extra

large requirements for delivery to specific destinations.

Mailing Address for Bid Proposals issued by the State of Rhode Island, Division of Purchases:

All Bid Proposals must be submitted to the following address:

State of Rhode Island  
Department of Administration  
Division of Purchases, 2nd Floor  
One Capitol Hill  
Providence, RI 02908

**AWARD**

THE STATE, AT ITS SOLE DISCRETION, SHALL RESERVE THE RIGHT TO MAKE ONE OR MULTIPLE AWARDS FOR THIS REQUIREMENT AND/OR TO REJECT ANY OR ALL BIDS.

**RIVIP INFO - BID SUBMISSION REQUIREMENTS**

It is the Vendor's responsibility to check and download any and all addenda from the RIVIP. This offer may not be considered unless a signed RIVIP generated Bidder Certification Cover Form is attached and the Unit Price column is completed. The signed Certification Cover Form must be attached to the front of the offer. When delivering offers in person to One Capitol Hill, vendors are advised to allow at least one hour additional time for clearance through security checkpoints.

MAILING ADDRESS FOR BID PROPOSALS ISSUED BY THE STATE OF RHODE ISLAND, DIVISION OF PURCHASES

All Bid Proposals must be submitted by mail or hand delivered to:

- State of Rhode Island
- Department of Administration
- Division of Purchases, Second floor
- One Capitol Hill
- Providence, RI 02908-5855

**DIVESTITURE OF INVESTMENTS IN IRAN REQUIREMENT:**

No vendor engaged in investment activities in Iran as described in R.I. Gen. Laws §37-2.5-2(b) may submit a bid proposal to, or renew a contract with, the Division of Purchases. Each vendor submitting a bid proposal or entering into a renewal of a contract is required to certify that the vendor does not appear on the list maintained by the General Treasurer pursuant to R.I. Gen. Laws §37-2.5-3.

**DELIVERY PER AGENCY**

DELIVERY OF GOODS OR SERVICES AS REQUESTED BY AGENCY.
