ADDENDUM NUMBER ONE
RFQ #7549629

TITLE: Belleville Fuel Depot-Removal Underground Tanks/Install New Above Ground

Closing Date and Time: 6/30/15 at 11:00 am

Per the issuance of this ADDENDUM #1 (5 pages and PDF file) the following is noted:

This addendum posts the sign in sheet from the mandatory pre bid conference held 6/16/15 at 1pm.
This addendum posts a PDF file showing the location of the new fuel depot.

As noted by the buyer at the pre bid conference:

- This is a mandatory pre bid conference. Only those vendors on the sign in sheet will be allowed to submit proposals. I would ask that the name you sign in with is the name the bid is submitted under.
- Questions are being accepted on line until 6/18/15 at 5pm. Instructions on how to submit questions are in the bid proposal. There have already been a couple of questions received. Those and any additional questions received will be answered in the addendum.
- Bid bond is required.
- Payment and Performance bond is required.
- Specifications are posted in pdf format on the website
- This is a public works project and as such requires that your bid, in addition to the paper copy, requires a CD be submitted also. Failure to do so will result in your bid being disqualified.
- In addition to the request for quote sheet where you are being asked to submit a total price there is an additional sheet that needs to be submitted with unit pricing.
- Please note the Public Works Bid Clauses.
- This is a prevailing wage project and there is a form in the bid documents that needs to be submitted with your bid proposal which is an acknowledgement that you are aware of the prevailing wage requirements.
- There is a Bid Preparation Checklist to help you out but it is not a substitute for a thorough review of the bid proposal by the vendor.
- We are asking you to submit a W-9 with their bid proposal.

ADDENDUM NUMBER ONE
RFQ #7549629

TITLE: Belleville Fuel Depot-Removal Underground Tanks/Install New Above Ground

Notes from pre bid conference:

The approximate location of the new fuel facility is identified on the attached drawing. The final location will be determined upon award of the project. No additional site work at the existing fuel depot will be performed other than what is specified in the Scope of Work.

The new fuel system should be in operation prior to the demolition of the existing system. DOA recognizes that there may be a lag time but it should be kept to a minimum.

The gas tank holds 12,000 gallons. Diesel tank holds 6,000 gallons.

There are no as-built drawings for the existing facility.

All new equipment is to be used for the project.

There is no contamination anticipated but is included as part of the bid process in the event of the unforeseen. The existing tanks are 18 years old and are double walled fiberglass.

Questions sent in on line:

1. Do you have any specific bond forms that need to be used for the bond requirements? Or, will the AIA bond form or the surety company's bond form be acceptable?

The State does not have a standard bond form

2. Will any liquidated damages be applied if the contractor does not complete the work on time? If yes, what is the dollar amount that they would be penalized per day?

Liquidated damages do not apply.

3. The section under Insurance; Comprehensive General Liability coverage for Personal injury (with employee exclusion deleted)" does not seem to make sense here. Should this mean "Bodily Injury"? If so, bodily injury typically falls under Workers Compensation Policy. Please clarify if this should read Bodily injury instead of personal injury

Should read Bodily Injury and that is covered under Worker's Comp policy.

4. Environmental Impairment ("pollution control") - It is not clear as to what is required here. Please clarify if you are referring to a site pollution policy or Contractors Pollution Liability.

Contractors Pollution Liability

5. Builders Risk –please clarify if this coverage is applicable to this contract.

Not Applicable.

Also attached is a sample of a recent acceptable insurance certificate with personal information redacted.

"MANDATORY" PRE-BID CONFERENCE SIGN IN SHEET

Mandatory Pre-bid Conference: Any vendor who intends to submit a bid proposal in response to this solicitation must have its designated representative attend the mandatory pre-bid conference. The representative must register at the pre-bid conference and disclose the identity of the vendor whom he/she represents. Because attendance at the pre-bid conference is mandatory, a vendor's failure to attend and register at the pre-bid conference shall result in disqualification of the vendor's bid proposal as non-responsive to the solicitation.
