Prompt Payment Discounts ("PPD"). Vendors benefit from PPD by increased, usable cash flow as a result of fast and efficient payments for commodities or services rendered. ACH payments increase the prompt pay benefit by ensuring that funds are paid directly to their designated bank accounts, thus eliminating the delay of check clearance policies and traditional mail lead time (additional form required for ACH enrollment can be found at <http://controller.admin.ri.gov/Forms/index.php>). Vendors are highly encouraged to enroll and will receive consideration for enrollment.

The State benefits because contractors reduce the cost of products and services through the applied discount. While Bidders/Contractors have flexibility in determining the actual % discount(s) offered to the State, the discount(s) must be identified in 10 days or more for Payment Issuance Date. The State may use the prompt pay discounts submitted as a basis for selection and may negotiate discounts as deemed in the best interest of the State.

All discounts offered will be automatically deducted from payment when the issue date is within the specified number of days listed below and in accordance with the State's Prompt Payment Law. Payment days will be measured **from** the date goods are received and accepted/performance was completed OR the date an invoice is received by the Office of the DOA Controller, whichever is later **to** the date the payment is issued via ACH or mailed by the State Treasurer. The date of payment "issue" is the date a payment is considered "paid" not the date a payment is "received" by a vendor.

The State encourages Vendors to use the RIFANS Supplier Portal which has the functionality to electronically submit invoices against open Purchase Orders. This eliminates mailing and handling time and will increase the payment cycle especially for those suppliers who offer Prompt Payment Discounts.

Enter the Prompt Payment Discount percentage (%) off the invoice payment, for each of the payment issue dates listed, if the payment is issued within the specified Payment Issue days. For example:

- 5% - 10 Days
- 4% - 15 Days
- 3% - 20 Days

Prompt Payment Discounts (“PPD”)

The goal of the Department of Administration (“Department”) is to provide an opportunity for expedited payment for State of Rhode Island (“State”) vendors, while also reducing the cost to the State through discounts. State agencies are encouraged to utilize vendors that offer cash discounts, along with competitive pricing, when selecting services or goods from a Master Price Agreement. Additionally, it is the policy of the Department to promote prompt payment through the use of “Electronic Funds Transfer” (“EFT”) through ACH and highly encourages vendors to sign up for EFT.

Prompt Payment Discount Form

All vendors shall submit the attached PPD form in order to receive consideration for discounts and signing up for Automated Clearing House (ACH) payment related to the State of Rhode Island’s PPD initiative.

Nothing herein prevents the State Purchasing Agent or designee from negotiating lower pricing or greater discounts and/or waiving technicalities related to PPDs in the best interests of the State.
