RE: RIDOT project - "Pedestrian Safety Improvements to Coronado Road".

Dear Mr. Lomas:

As discussed, the cost of installing IMPRINT on the referenced project is \$25 per square foot based on approximately 3,300 square feet of crosswalks. This price includes all equipment, labor and material for the; removal of existing new pavement to a maximum depth of $\frac{3}{4}$ " and installing the IMPRINT product. It also includes the oxide red color and a basic brick pattern.

This price can be guaranteed until September 1, 2016.

If you have any questions, please do not hesitate to call.

Sincerely:

Peter J. Marino
