## ADDENDUM # 3

RFQ #7550189 TITLE: MPA 77 - FRESH BREAD, BAGELS, AND ROLLS

OPENING DATE AND TIME: 03/18/2016 @ 11:00 AM EST

---

**Addition of omitted line item #9 and coordinating Adjustment to Addendum #2  
Clarification to Item Numbers 15 and 16:**

1. **Line Item #9:** Updated for inclusion in the RFQ for Frankfurt Rolls, Sliced. Please see and used the updated spreadsheet for proposals, "7550189 Quote Spreadsheet – Addendum 3".
2. **Adjustment to Addendum #2 with the addition of Line Item # 9:** Changes highlighted in yellow as follows:

**FROM:**

It is the State's understanding that the Unit of Measure (UOM) for Item Numbers 15 and 16 on the "7550189 Quote Spreadsheet" can vary from a set dozen. Therefore in cells **C28** and **C29**, the State defined these items as 'Package' vs. 'Dozen' in order to allow for any variables in these two items. However the State did define minimum requirements of these two items in the "Quantity per Package (minimum required)" cells **F28** and **F29** as well as "Weight in Ounces (minimum required)" cells **G28** and **G29**. Please see the following screen shot for further clarification:
