INTRODUCTION AND BACKGROUND:

The Rhode Island Division of Purchases, on behalf of Rhode Island Department of Transportation Highway Maintenance Division, is soliciting prices from qualified firms to provide vehicle/equipment sandblasting, painting and/or body work for its fleet. RIDOT currently maintains a fleet of approximately 600 units which includes, but is not limited to, light duty passenger cars/pickups, light/medium duty dump trucks, heavy duty dump trucks (single/tandem axle), light and heavy tractors, front end loaders, backhoes, sweepers, and bucket trucks. In order to preserve the Department's assets, it is necessary to perform some exterior restoration. To that end, RIDOT seeks multiple qualified firms, duly authorized and licensed to perform such work from time to time, as is needed.

Due to the diversity of equipment, each vehicle has been classified into one of four groups as follows:

Group I: Passenger vehicles and light trucks rated less and 8,000 lbs. GVW.

Group II: Medium and heavy trucks such as, but not limited to, pick-up trucks, vans, cube vans, medium duty trucks and others with GVW ranging from 8,001 lbs. to 26,000 lbs.

Group III: Heavy dumps in excess of 26,000 lbs. GVW.

Group "Special Equipment": Equipment such as, but not limited to, front end loaders, highway mowing tractors, backhoes, skid steers, trailers, road sweepers, arrow boards, chippers and towable compressors.

For any group of equipment being bid, the proposed facility must be adequately sized to accommodate the individual group.

Bidders must have a facility of adequate size to accommodate equipment dimensions including a locked and protected vehicle storage area. The State reserves the right to inspect any facility to determine if the proposed facility meets the minimum requirement for any individual group.

Sandblasting must be performed in accordance with the "Steel Structures Painting Council" (SSPC SP-10) regulations, as well as all other State, Federal and environmental regulations and requirements, no exceptions.

Each respective bidder must have the ability to conduct all awarded services in a manner that mirrors industry standards and best practices.

Each bidder must possess, and maintain throughout the life of the contract, all required state, federal and standard industry licensing/permitting and insurance necessary to conduct the services under this contract.

Awarded vendors must furnish certificates of insurance in accordance with the Item 31 of the State of Rhode Island General Conditions of Purchase which can be viewed at the following:
