All Q&A will be posted as the final addendum on the RIVIP website.

1. Q – Will the selected 6/10 NEPA Consultant Team be precluded from participating on the anticipated 6/10 Design-Build construction project?

A – NO. It is RIDOT's intention to make available the NEPA documentation and subsequent completed Preliminary Design documents to all potential Respondents to the 6/10 Design-Build Project when posted.

2. Q – Will the transit alternatives cited in the PE Scope of Work be made available at this time?

A – NO. The alternatives cited are currently in "draft" format prepared by RIDOT's current On-Call Transit Consultant, Vanasse Hangen Brustlin, Inc. The selected 6/10 NEPA Consultant will be provided with all available technical materials upon issuance of Notice to Proceed.

3. Q – Are any Consultant Firms precluded from submission on this 6/10 NEPA Project?

A – YES. The aforementioned On-Call Transit Consultant is precluded from submitting since their services were used in preparation for this RFP.

4. Q – Were there any discussions held between RIDOT and FTA on this project?

A – YES. High level discussions have taken place with both the USDOT and with FTA regarding the 6/10 project.
