NOTICE OF ADDENDUM NUMBER ONE (1)

TO

State of Rhode Island
Department of Environmental Management
Bid Number 7550375
RIDEM Floating Dock Removal & Installation Contract
Various Locations, Rhode Island

DATE of ADDENDUM: March 15, 2014

The contract documents are hereby modified to include this document as if fully attached thereto.

ITEM A) In "Routine Maintenance" section **Delete** requirement for yearly application of Thompson's WaterSeal (or approved equal) to all sides of the pressure treated lumber.

Response to Questions:

Q1) *Is there an available "float plan" for reassembly? Or pictures of docks in water to assist with reassembly?*

Attached to this addendum are the various floating dock plans for the included locations. Please note that minor as built changes should be expected from the pictured construction plans.

Q2) *Do you know which, or how many locations would require "Thompson's Water-sealer"? As some of the docks are composite?*

The requirement for yearly application of Thompson's WaterSeal has been omitted. See Item A above.

Q3) *Payment of service schedule? Would this be paid in two phases each year (installation and removal) or in another manner?*

Yes, the contractor will be eligible to submit for payment in two or more phases per year based on the quantities and costs indicated in the base bid breakdown.
