ADDENDUM NUMBER ONE

RFQ #7550393

**TITLE: PURCHASE AND INSTALL GENERATOR AT WARWICK ARMORY,
541 AIRPORT RD**

BCI checks of all vendor employees working on site will be required. This will be at the vendor's expense.

The 90 day requirement to have work complete is a guideline. The agency will certainly understand if there are delays caused by circumstances outside of the vendor's control (i.e. permitting process, delivery date of generator, etc).

Enclosure is level 2.

New pad to be installed in the vicinity of existing. Vendor to work with agency to determine exact location.

There will be 6 bollards installed (exact location to be determined) with safety covers.
