ADDENDUM NUMBER ONE
RFQ #7550593
TITLE: MODULAR BATTERY REPLACEMENT

Closing Date and Time: 6/1/16 at 10:30 am

Per the issuance of this ADDENDUM #1 (1 page) the following is noted:

This addendum posts answer to question submitted on line.

Q. ...I wanted to call your attention to the fact that the solicitation states the work will be done during normal business hours. In recent weeks, Schneider Electric has announced a firm policy that, for safety reasons, UPS equipment must be put into bypass for modular battery replacement services. The UPS at this site will need to go into bypass for the entire duration of the battery replacement. I wanted to confirm that the site is aware and agreeable to the UPS going on bypass during normal business hours. If not, I can add a line item with the upgrade to off-hours scheduling. Please advise.

A. Agency understands, and agrees, that the UPS will be placed into bypass for the modular battery replacement services during normal business hours.
