The initial contract period will begin approximately September 2016 for five years.

This is a Request for Proposals, not an Invitation for Bid. Responses will be evaluated on the basis of the relative merits of the proposal, in addition to price; there will be no public opening and reading of responses received by the Division of Purchases pursuant to this Request, other than to name those offerors who have submitted proposals.

INSTRUCTIONS AND NOTIFICATIONS TO OFFERORS:

1. Potential vendors are advised to review all sections of this RFP carefully and to follow instructions completely, as failure to make a complete submission as described elsewhere herein may result in rejection of the proposal.
2. Alternative approaches and/or methodologies to accomplish the desired or intended results of this procurement are solicited. However, proposals which depart from or materially alter the terms, requirements, or scope of work defined by this RFP will be rejected as being non-responsive.
3. All costs associated with developing or submitting a proposal in response to this RFP, or to provide oral or written clarification of its content shall be borne by the vendor. The State assumes no responsibility for these costs.
4. Proposals are considered to be irrevocable for a period of not less than 60 days following the opening date, and may not be withdrawn, except with the express written permission of the State Purchasing Agent.
5. All pricing submitted will be considered to be firm and fixed unless otherwise indicated herein.
6. Proposals misdirected to other state locations, or which are otherwise not present in the Division at the time of opening for any cause will be determined to be late and will not be considered. For the purposes of this requirement, the official time and date shall be that of the time clock in the reception area of the Division.
7. It is intended that an award pursuant to this RFP will be made to a prime vendor, or prime vendors in the various categories, who will assume responsibility for all

aspects of the work. Joint venture and cooperative proposals will not be considered. Subcontracts are permitted, provided that their use is clearly indicated in the vendor's proposal and the subcontractor(s) to be used is identified in the proposal.

8. All proposals should include the vendor's FEIN or Social Security number as evidenced by a W9, downloadable from the Division's website at www.purchasing.ri.gov.
9. The purchase of services under an award made pursuant to this RFP will be contingent on the availability of funds.
10. Vendors are advised that all materials submitted to the State for consideration in response to this RFP will be considered to be Public Records as defined in Title 38, Chapter 2 of the General Laws of Rhode Island, without exception, and will be released for inspection immediately upon request once an award has been made.

This policy applies to all areas where State dollars are spent, in employment, public services, grants and financial assistance, and in state licensing and regulation.
13. In accordance with Title 7, Chapter 1.2 of the General Laws of Rhode Island, no foreign corporation, a corporation without a Rhode Island business address, shall have the right to transact business in the State until it shall have procured a Certificate of Authority to do so from the Rhode Island Secretary of State (401-222-3040). This is a requirement only of the successful vendor(s).
14. The vendor should be aware of the State's Minority Business Enterprise (MBE) requirements, which address the State's goal of ten percent (10%) participation by MBE's in all State procurements. For further information visit the website www.mbe.ri.gov
15. Under HIPAA, a "business associate" is a person or entity, other than a member of the workforce of a HIPAA covered entity, who performs functions or activities on behalf of, or provides certain services to, a HIPAA covered entity that involves access by the business associate to HIPAA protected health information. A "business associate" also is a subcontractor that creates, receives, maintains, or transmits HIPAA protected health information on behalf of another business associate. The HIPPA rules generally required that HIPPA covered entities and business associates enter into contracts with their business associates to ensure that the business associates will appropriately safeguard HIPAA protected health information. Therefore, if a Contractor qualifies as a business associate, it will be required to sign a HIPAA business associate agreement.

SECTION 2: BACKGROUND

Eleanor Slater Hospital must update its medication distribution and administration processes as mandated by pertinent Joint Commission standards. The hospital's goal is to improve patient safety by minimizing the risk of medication errors and to improve medication security. Phase 1 of the hospital's plan to upgrade its medication management system is to implement an automated dispensing cabinet (ADC) system on each of the 17 patient care units at both campuses. The ADCs will interface with the ESH Pharmacy information system.

The vendor must possess extensive prior experience in implementing automated medication dispensing technology in the hospital setting.

SECTION 3: SCOPE OF WORK

General Scope of Work

Automated dispensing cabinet (ADC) systems will be installed in each of the 17 patient care unit medication rooms at both campuses of Eleanor Slater Hospital. Approximately 5,000 medication doses are administered daily at the hospital where the census varies from 10 to 24 patients per unit.

Specific Requirements

I. ADC System Requirements:

1. Must have biometric user identification to access ADC system, using technology that is NIST and FIPS 201 certified.
2. Must have 2D barcode scanner installed on each ADC system; must have option to require scanning of medications upon loading and refilling using pre-defined parameters
3. Must recognize National Drug Codes
4. Must have medication profiling system to view patient-specific medication orders, administration times, and listed allergies at the ADC. Further, profiling system will limit access to medications that have been reviewed and approved by a pharmacist.*
5. *Must provide override capability when a medication that has not been reviewed and approved by a pharmacist, needs to be accessed from the ADC under certain predefined criteria (to be determined by the hospital), ie clinically urgent or stat medication order. The designated nurse must be prompted to describe the reason for the override
6. Need report that allows for retrospective review and investigation of causes of medication overrides

7. Must have allergy alert system at the ADC for dispensing a medication that has not been reviewed and approved by a pharmacist
8. Must have web-based access from remote workstations that allows nurses to review their patients' medication records and then queue the medications to be administered at a given time so they can be ready for withdrawal at the ADC.
9. Must have secure medication return bin installed as part of the ADC system, along with process at the ADC screen for the nurse to enter reason for return.
10. Must have locked, lidded bins in the ADC drawers so that only one medication at a time is accessed; will allow one drawer per ADC system to have open, non-lidded bins.
11. Must have "user friendly" process at the ADC that allows the nurse to quickly and easily identify the correct location of each medication
12. Drawer and bin configuration must be flexible to allow Pharmacy to adjust each ADC system's configuration to meet changing medication needs over time.
13. Must have capacity for touch screen and keyboard access to all ADC systems; keyboard needs to be protected from spills and easily cleaned
14. Must have option for the nurse to print receipt of medications removed from ADC
15. Must have system alert for the nurse if attempting to remove medication outside of administration time range allowed by hospital, or if attempting to remove a medication that is more or less than the ordered quantity
16. Must have monitoring system that provides report of incorrect access to ADC.
17. ADC drawers must lock automatically when closed in a configurable, set time frame.
18. All ADCs must log the nurse off automatically after a configurable, defined time period.
19. If a bin or drawer fails to open, it must not affect the use of the other parts of the ADC.
20. When Pharmacy is closed, the nurse must be able to search on system for a new medication in other ADCs if the medication is not stocked on that unit.
21. When a patient is transferred to a new care unit, need access at the ADC to the patient's medication orders.
22. Refrigerated medications must be accessed through the ADC system; also, the system must monitor medication refrigerator temperatures and provide notification on the system of temperatures that are out of range.
23. Must allow the nurse to highlight the list of those medication orders on each patient profile for a specified timeframe, ie for a medication pass that is due; also, the nurse must have the option to highlight a list of assigned patients and their medication administration times.

24. Both generic and brand names need to be available on ADC system to search for medications on system in either format. There should be no discrepancies in the display of medication names on the MAR and ADC screen.
25. Need to flag or identify patients with the same last name.
26. When a medication has been recalled by the manufacturer, it must be identified and then restricted access at the ADC.
27. In the event of a system failure, ie power outage, must have manual access to the medication in the ADC(s).
28. Must have controlled substance management software and monitoring system in Pharmacy that is linked to the ADC systems to include reporting, perpetual inventory, and bar code support features.
29. Must allow the nurses on each unit to inventory only those controlled medications that have been accessed at the ADC since the last count.
30. Must be able to generate standard reports from the ADC, remotely from a workstation, and from Pharmacy.
31. Reporting needs to be web-based; need capacity to email reports and/or export them into Microsoft Excel
32. Must be able to automatically generate scheduled reports
33. Must have capacity to monitor critically low stock levels or out of stock items, and the process to adjust par levels must be user-friendly.

II. IT-Related Requirements:

1. All ADCs and the required backend servers will be configured on the State network.
2. All backend servers will be located in the State Enterprise Operations Center (EOC). The ESH Cranston campus is connected to the EOC over a 150Mb connection and the ESH Zambarano Campus is connected to the EOC over a 10Mb connection. *The Low bidder will receive one hundred percent (100%) of the available points for cost. All other bidders will be awarded cost points based upon the following formula:

$$(\text{low bid} / \text{vendors bid}) * \text{available points}$$

For example: If the low bidder (Vendor A) bids \$65,000 and Vendor B bids \$100,000 for monthly cost and service fee and the total points available are Thirty (30), vendor B's cost points are calculated as follows:

$$\$65,000 / \$100,000 * 30 = 19.5$$

Points will be assigned based on the offeror's level of qualifications and experience, in addition to demonstrating that all of the specified technical requirements can and will be provided.

Applicants may be required to submit additional written information or be asked to make an oral presentation before the technical review committee to clarify statements made in their proposal. PAR. 1. GOVERNING LAW AND GENERAL TERMS AND CONDITIONS

The State’s Purchasing Law (Chapter 37-2 of the Rhode Island General Laws) and Rhode Island Department of Administration, Division of Purchases, Purchasing Rules, Regulations, and General Conditions of Purchasing apply as the governing terms and conditions of this Agreement, which can be obtained at <http://www.purchasing.ri.gov/rulesandregulations/rulesAndRegulations.aspx>. The Contractor shall perform all obligations, duties and the required scope of work for the period of time listed in this Agreement, Exhibit(s) and/or Addenda that are attached hereto and are incorporated by reference herein, in a satisfactory manner to be determined at the sole and absolute discretion of BHDDH, and in accordance with requirements of this Agreement. The Contractor shall perform in accordance with applicable State statutory and policy requirements as well as Federal statutory and policy requirements (as defined in 2 CFR § 200.300). More specifically, the **ADDENDUM I - SCOPE OF WORK** shall include performance measurement(s) 2 CFR § 200.301, monitoring and reporting program performance 2 CFR § 200.328, and performance must be in accordance with requirements for pass-through entities 2 CFR § 200.331. In accordance with 2 CFR § 200.331 (d) BHDDH will:

Monitor the activities of the subrecipient as necessary to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved. (2) Following-up and ensuring that the subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the subrecipient from the pass-through entity detected through audits, on-site reviews, and other means.

(3) Issuing a management decision for audit findings pertaining to the Federal award provided to the subrecipient from the pass-through entity as required by 2 CFR § 200.521 Management decision.

BHDDH may request at any time additional monitoring, reporting, site visits, and audits in accordance with 2 CFR § 200.501 or if applicable “Yellow Book” audits (see Paragraph 24). All reports pertaining to 2 CFR § 200.331, shall be maintained by the Contractor. The Contractor must retain any documents pertaining to changes requested from BHDDH or the Federal Government in accordance with 2 CFR § 200.333.

PAR. 3. TIME OF PERFORMANCE

The Contractor shall commence performance of this Agreement on the _____ of _____, _____, and shall complete performance no later than the _____ day of _____ (hereinafter the “Initial Term”), unless terminated prior to that day by other provisions of this Agreement. *If this contract was awarded as a result of an RFP or bid process, then, by mutual agreement, this contract may be extended as stated in the RFP or bid process (hereinafter “Renewal Term(s)”) beyond the Initial Term upon one hundred twenty (120) days prior written notice of the expiration of the Initial Term or any Renewal Term to the Contractor.*

In the event BHDDH or the Contractor gives notice of its intent not to renew this Agreement, BHDDH shall have the right to extend all or any services to be performed under this Agreement for an additional period of one hundred and eighty (180) days, or such longer period as mutually agreed by the parties in writing.

PAR. 4. PROJECT OFFICER – EXECUTIVE OFFICE

BHDDH shall appoint a Contract Officer to manage this Agreement. The Contractor agrees to maintain close and continuing communication with the Contract Officer throughout the performance of work and services undertaken under the terms of this Agreement. The Contract Officer is responsible for authorizing, or seeking authorization of all payments made by BHDDH to the Contractor under this Agreement.

PAR. 5. PROJECT OFFICER – CONTRACTOR

The Contractor shall appoint a Project Officer to be responsible for coordinating and reporting work performed by the Contractor agency under this Agreement. The Project Officer shall notify BHDDH in writing immediately, and seek approval from BHDDH, should a change to this Agreement be necessary in the opinion of the Project Officer. Under no circumstances will a change be undertaken without the prior written approval of BHDDH.

PAR. 6. BUDGET

Total payment for services to be provided under this Agreement shall not exceed the total budget as detailed in **ADDENDUM II**. Expenditures exceeding budget line-item categories by ten percent (10%) shall not be authorized unless prior written approval is first obtained pursuant to **PAR. 10. - MODIFICATION OF AGREEMENT**, subject to the maximum amount of this Agreement as stated above.

PAR. 7. METHOD OF PAYMENT AND REPORTS

BHDDH will make payments to the Contractor in accordance with provisions of **ADDENDUM III - PAYMENTS AND REPORTS SCHEDULE** attached hereto and incorporated by reference herein. The Contractor will complete and forward narrative, fiscal, and all other reports per **ADDENDUM III - PAYMENTS AND REPORTS SCHEDULE**.

PAR. 8. TERMINATION AND/OR DEFAULT OF AGREEMENT

This Agreement shall be subject to termination under any of the following conditions:

- a) Mutual Agreement
The contracting parties mutually agree in writing to termination.
- b) Default by Contractor
BHDDH may, by not less than thirty (30) days prior written notice to the Contractor, terminate the Contractor's right to proceed as to the Agreement if the Contractor:
 - 1. Materially fails to perform the services within the time specified or any extension thereof; or
 - 2. So fails to make progress as to materially endanger performance of the Agreement in accordance with its terms; or
 - 3. Materially breaches any provision of this Agreement.Termination, at the option of BHDDH shall be effective not less than thirty (30) days after receipt of such notice, unless the Contractor shall have corrected such failure(s) thirty (30) days after the receipt by the Contractor of such written notice; any failure which, in the exercise of due diligence, cannot be cured within such thirty (30) day period shall not be deemed a default so long as the Contractor shall within such period commence and thereafter continue diligently to cure such failure.
- c) Termination in the Interest of BHDDH
BHDDH may terminate this agreement at any time by giving written notice to the Contractor of such termination and specifying the effective date thereof, not less than thirty (30) days prior to the effective date of such termination. In such event, all finished or unfinished documents and other materials shall, at the option of BHDDH, become its property. If the agreement is terminated by BHDDH as provided herein, the Contractor will be paid an amount which bears the same rate to the total compensation as the services actually performed bear to the total services of the Contractor covered by this Agreement, less payment of compensation previously made.
- d) Availability of Funds

Attachment 2- Sample Agreement

It is understood and agreed by the parties hereto that all obligations of BHDDH, including the continuance of payments hereunder, are contingent upon the availability and continued appropriation of State and Federal funds, and in no event shall BHDDH be liable for any payments hereunder in excess of such available and appropriated funds. In the event that the amount of any available or appropriated funds provided by the State or Federal sources for the purchase of services hereunder shall be reduced, terminated or shall not be continued at an aggregate level sufficient to allow for the purchase of the specified amount of services to be purchased hereunder for any reason whatsoever, BHDDH shall notify the Contractor of such reduction of funds available and BHDDH shall be entitled to reduce its commitment hereunder as it deems necessary, but shall be obligated for payments due to the Contractor up to the time of such notice. None of the provisions of this paragraph shall entitle BHDDH to compensation for anticipated profits for unperformed work.

PAR. 9. RESPONSIBILITIES UPON TERMINATION AND/OR DEFAULT OF AGREEMENT

Upon delivery to the Contractor of a notice of termination, specifying the nature of the termination, the extent to which performance of work under this contract is terminated, and the date upon which such termination becomes effective, the Contractor shall:

1. Stop work under this contract on the date and to the extent specified in the notice of termination.
2. Take such action as may be necessary, or as the BHDDH's project manager may reasonably direct, for the protection and preservation of the property related to this contract which is in the possession of the Contractor and in which BHDDH has or may acquire an interest.
3. Terminate all orders to the extent that they relate to the performance of work terminated by the notice of termination.
4. Subject to the provisions of this paragraph, assign to BHDDH in the manner and to the extent directed by the BHDDH's project officer all of the rights, title, and interest of the Contractor under the orders so terminated, in which case BHDDH shall have the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders, however, notwithstanding this provision, the Contractor will not be obligated to assign any such rights, title or interest in the absence of payment therefore by BHDDH.
5. With the approval or ratification of the BHDDH's project manager, initiate settlement of all outstanding liabilities and all claims, arising out of such termination of orders, the cost of which would be reimbursable in whole or in part, in accordance with the provisions of this contract. Prior to a final settlement of said outstanding liabilities and claims arising out of such termination, final written approval of the BHDDH's project manager must be obtained. Final approval by BHDDH shall not be unreasonably withheld.
6. Subject to the provisions of this paragraph, transfer title, or if the Contractor does not have title, then transfer their rights to BHDDH (to the extent that title has not already been transferred) and deliver in the manner, at reasonable times, and to the extent reasonably directed by the BHDDH's project manager all files, processing systems, data manuals, or other documentation, in any form, that relate to all the work completed or in progress prior to the notice of termination.
7. Complete the performance of such part of the work as shall not have been

Attachment 2- Sample Agreement

- terminated by the notice of termination. The Contractor shall proceed immediately with the performance of the above obligations notwithstanding any delay in determining or adjusting the amount of any item of reimbursable price under this clause.
8. The Contractor acknowledges and agrees the services and/or deliverables provided under this Agreement are very important to BHDDH and that upon expiration or termination of the Agreement, must be continued without interruption whether by the State, BHDDH, governmental agency or another private entity (“successor entity”). Prior to the end of the Termination and up to sixty (60) days thereafter, the Contractor agrees to make an orderly transition of contract and/or deliverables hereunder and to perform any and all tasks in good faith that are necessary to preserve the integrity of the work performed by the Contractor on behalf of BHDDH. Should any missing data, materials, documents, etc., be discovered after expiration or termination, a grace period of one hundred and twenty (120) days shall be in effect during which the data, materials, documents, etc., is to be provided at a predetermined cost or at no additional cost if the Contractor caused the loss. Lost data shall be provided to BHDDH in form acceptable to BHDDH.

If the agreement is terminated for default, following a reasonable notice and cure period not to exceed thirty (30) days unless agreed to by both parties, BHDDH may withhold payment of any amount in excess of fair compensation for the work actually completed by the Contractor prior to termination of this Agreement and will be entitled to pursue all of its other available legal remedies against the Contractor. Notwithstanding the above, the Contractor shall not be relieved of liability to BHDDH for damages sustained by virtue of any breach of this Agreement by the Contractor. The State shall not be liable to the Contractor for loss of profits because of a stop work order issued under this clause.

The Contractor will assume liability to BHDDH for any damages arising out of or related to this Agreement, regardless of the form of action that imposes liability, whether in contract, equity, negligence, intended conduct, tort or otherwise. Also, there should be no limitation of the Contractor’s liability for disclosure of confidential information or intellectual property infringement. Neither party shall be liable for any amounts for loss of income, profit or savings or incidental, consequential, indirect, exemplary, punitive, or special damages of any party, including third parties arising out of or related to this Agreement; provided, however, that the foregoing shall not be deemed to limit in any way the provisions of **ADDENDUM XIII - LIQUIDATED DAMAGES** of this Agreement.

The imposition of liquidated damages shall not limit BHDDH's rights to pursue any other non-monetary remedies available to it.

BHDDH may, by written notice of default to the Contractor, provide that the Contractor may cure a failure or breach of this contract within a period of thirty (30) days (or such longer period as the BHDDH's agreement administrator or project manager may authorize in writing), said period to commence upon receipt of the notice of default specifying such failure or breach. BHDDH's exercise of this provision allowing the Contractor time to cure a failure or breach of this Agreement does not constitute a waiver of BHDDH's right to terminate this Agreement, without providing a cure period, for any other failure or breach of this Agreement. In the event the Contractor has failed to perform any substantial obligation under this Agreement, or has otherwise committed a

Attachment 2- Sample Agreement

breach of this Agreement, BHDDH may withhold all monies due and payable to the Contractor directly related to the breach, without penalty, until such failure is cured or otherwise adjudicated.

Assurances before breach

a) If documentation or any other deliverables due under this contract are not in accordance with the contract requirements as reasonably determined by the project manager, upon BHDDH's request, the Contractor, to the extent commercially reasonable, will deliver additional the Contractor resources to the project in order to complete the deliverable as required by the agreement as reasonably determined by BHDDH and to demonstrate that other project schedules will not be affected. Upon written notice by the BHDDH's project manager of BHDDH's concerns regarding the quality or timeliness of an upcoming deliverable, the Contractor shall, within five (5) business days of receipt of said notice, submit a corrective action plan documenting the Contractor's approach to completing the deliverable to the satisfaction of the BHDDH's project officer without affecting other project schedules. The BHDDH's project manager, within five (5) business days of receipt of the corrective action plan, shall approve the plan, reject the plan, or return the plan to the Contractor with specific instructions as to how the plan can be modified to merit approval and a specific time period in which the revised plan must be resubmitted.

Nothing in the language contained herein shall be construed to waive or limit the state or federal sovereign immunity or any other immunity from suit provided by law including, but not limited to Rhode Island General Laws, Title 9 Chapter 31, "Governmental Tort Liability."

BHDDH's options at termination

In the event BHDDH terminates this contract pursuant to this paragraph, BHDDH may at its option:

- a) Retain all or a portion of such hardware, equipment, software, and documentation as has been provided, obtaining clear title or rights to the same, and procure upon such terms and in such manner as the BHDDH's project manager may deem appropriate, hardware, equipment, software, documentation, or services as are necessary to complete the project; or
- b) Notwithstanding the above, except as otherwise agreed, nothing herein shall limit the right of BHDDH to pursue any other legal remedies against the Contractor.

In order to take into account any changes in funding levels because of executive or legislative actions or because of any fiscal limitations not presently anticipated, BHDDH may reduce or eliminate the amount of the contract as a whole with the scope of services being reduced accordingly, or subject to agreement by the parties concerning the scope and pricing, reduce or eliminate any line item(s).

Notwithstanding the terms, conditions and/or requirements set out in Paragraphs 7 and 8, the Contractor shall not be relieved of liability to BHDDH for damages sustained by BHDDH by virtue of any breach of the Agreement by the Contractor, and BHDDH may withhold payment to the Contractor for the purpose of setoff until such time as the exact amount of damages due BHDDH from the Contractor is determined.

PAR. 10. MODIFICATION OF AGREEMENT

BHDDH may permit changes in the scope of services, time of performance, or approved budget of the Contractor to be performed hereunder. Such changes, which are mutually agreed upon by BHDDH and the Contractor, must be in writing and shall be made a part of this agreement by numerically consecutive amendment excluding “Special Projects”, if applicable, and are incorporated by reference into this Agreement. No changes are effective unless reflected in an approved change order issued by the State’s Division of Purchases.

Special Projects are defined as additional services available to BHDDH on a time and materials basis with the amounts not to exceed the amounts referenced on the Contractor’s RFP cost proposal or as negotiated by project or activity. The change order will specify the scope of the change and the expected completion date. Any change order shall be subject to the same terms and conditions of this Agreement unless otherwise specified in the change order and agreed upon by the parties. The parties will negotiate in good faith and in a timely manner all aspects of the proposed change order.

PAR. 11. SUBCONTRACTS

It is expressly agreed that the Contractor shall not enter into any subcontract(s) nor delegate any responsibilities to perform the services listed in this Agreement without the advanced, written approval of BHDDH. If in **ADDENDUM XVI – BID PROPOSAL**, the Bid Proposal permits Subcontracting, the Contractor must provide the name and the extent of services provided by the Subcontractor in the **BUDGET** paragraph 6, and more fully explained in **ADDENDUM II** of this Agreement, and as further agreed to by BHDDH and the Contractor in **ADDENDUM IX – SUBCONTRACTOR COMPLIANCE**, which is incorporated by reference herein, and which outlines the expectations and requirements of subcontracted vendors to this Agreement.

If the Contractor subsequently needs to enlist the services of a Subcontractor, the Contractor shall obtain prior written approval of BHDDH. Approval of BHDDH for the Contractor to enter into subcontracts to perform the services or obligations of the Contractor pursuant to this Agreement shall not be unreasonably withheld. Nothing in this Agreement or in a subcontract or sub-agreement between the Contractor and subcontractors shall create any contractual relationship between the subcontractor and BHDDH. Approval by BHDDH of the Contractor’s request to subcontract shall not relieve the Contractor of its responsibilities under this contract and the Contractor shall therefore remain responsible and liable to BHDDH for any conduct, negligence, acts and omissions, whether intentional or unintentional, by any subcontractor

The positions named by the Contractor and detailed in **ADDENDUM XVII – CORE STAFF POSITIONS**, which is incorporated by reference herein, will be considered core project staff positions for this project. The Contractor will not alter the core project team or use an independent contractor, company or subcontractor to meet required deliverables without the prior written consent of the BHDDH’s project officer or other

Attachment 2- Sample Agreement

appointed designee(s) for which consent shall not be unreasonably withheld. Failure to comply with the provisions of this Paragraph could result in denial of reimbursement for such non-approved sub-contracts.

PAR. 12. CONTRACTOR'S LIABILITY/INDEMNIFICATION

The Contractor shall defend, indemnify and hold the State of Rhode Island, its departments, agencies, branches and its or their officers, directors, agents or employees (together the "Indemnitees" and their subcontractors) harmless against claims, demands, suits for judgments, losses or reasonable expenses or costs of any nature whatsoever (including actual reasonable attorney's fees) to the extent arising in whole or part from the Contractor's willful misconduct, negligence, or omission in provision of services or breach of this Agreement including, but not limited to, injuries of any kind which the staff of the Contractor or its subcontractor may suffer directly or may cause to be suffered by any staff person or persons in the performance of this Agreement, unless caused by the willful misconduct or gross negligence of the Indemnitees.

The Contractor shall defend, indemnify and hold the State of Rhode Island, its departments, agencies, branches and its or their officers, directors, agents or employees (together the "Indemnitees" and their subcontractors") harmless against claims, demands, suits for judgments, losses or reasonable expenses or costs of any nature whatsoever (including actual reasonable attorney's fees) to the extent arising in whole or part for infringement by the Contractor of any intellectual property right by any product or service provided hereunder.

Nothing in this agreement shall limit the Contractor's liability to indemnify the State for infringements by the Contractor of any intellectual property right.

Nothing in the language contained in this Agreement shall be construed to waive or limit the State or federal sovereign immunity or any other immunity from suit provided by law including, but not limited to Rhode Island General Law, Title 9, Chapter 31 et al., entitled "Governmental Tort Liability."

PAR. 13. NONDISCRIMINATION IN EMPLOYMENT AND SERVICES

By signing this Agreement, the Contractor agrees to comply with the requirements of Title VI of the Civil Rights Act of 1964 (42 USC 2000d et seq.); Section 504 of the Rehabilitation Act of 1973, as amended (29 USC 794); Americans with Disabilities Act of 1990 (42 USC 12101 et. seq.); Title IX of the Education Amendments of 1972 (20 USC 1681 et. seq.); the Age Discrimination Act of 1975, The United States Department of Health and Human Services Regulations found in 45 CFR, Parts 80 and 84;

An electronic copy of the Contractor's written compliance plan, all relevant policies, procedures, workflows, relevant chart of responsible personnel, and/or self-assessments must be available to BHDDH upon

Attachment 2- Sample Agreement

request.

The Contractor's written compliance plans and/or self-assessments, referenced above and detailed in **ADDENDA V AND VI** of this Agreement must include but are not limited to the requirements detailed in **ADDENDA V AND VI** of this Agreement.

The Contractor must submit, within thirty-five (35) days of the date of a request by DHHS or BHDDH, full and complete information on Title VI and/or Section 504 compliance and/or self-assessments, as referenced above, by the Contractor and/or any subcontractor or vendor of the Contractor.

The Contractor acknowledges receipt of **ADDENDUM V - NOTICE TO DEPARTMENT OF BEHAVIORAL HEALTHCARE, DEVELOPMENTAL DISABILITIES AND HOSPITALS' SERVICE PROVIDERS OF THEIR RESPONSIBILITIES UNDER TITLE VI OF THE CIVIL RIGHTS ACT OF 1964** and **ADDENDUM VI - NOTICE TO DEPARTMENT OF BEHAVIORAL HEALTHCARE, DEVELOPMENTAL DISABILITIES AND HOSPITALS' SERVICE PROVIDERS OF THEIR RESPONSIBILITIES UNDER SECTION 504 OF THE REHABILITATION ACT OF 1973**, which are incorporated herein by reference and made part of this Agreement.

The Contractor further agrees to comply with all other provisions applicable to law, including the Americans with Disabilities Act of 1990; the Governor's Executive Order No. 05-01, Promotion of Equal Opportunity and the Prevention of Sexual Harassment in State Government.

The Contractor also agrees to comply with the requirements of BHDDH for safeguarding of client information as such requirements are made known to the Contractor at the time of this contract. Changes to any of the requirements contained herein shall constitute a change and be handled in accordance with **PAR. 10. - MODIFICATION OF AGREEMENT** above.

Failure to comply with this Paragraph may be the basis for cancellation of this Agreement.

PAR. 14. ASSIGNABILITY

The Contractor shall not assign any interest in this Agreement (whether by assignment or novation) without the prior written consent of the State's Division of Purchases, thereto; provided, however, that claims or money due or to become due to the Contractor from BHDDH under this Agreement may be assigned to a bank, trust company, or other financial institution without such approval. Notice of any such assignment or transfer shall be furnished promptly to BHDDH.

PAR. 15. COPYRIGHTS

Any and all data, technical information, information systems, materials gathered,

Attachment 2- Sample Agreement

originated, developed, prepared, modified, used or obtained by the Contractor in performance of the Agreement used to create and/or maintain work performed by the Contractor, including but not limited to, all hardware, software computer programs, data files, application programs, intellectual property, source code, documentation and manuals, regardless of state of completion shall be deemed to be owned and remain owned by the State ("State Property"), and the State has the right to (1) reproduce, publish, disclose or otherwise use and to authorize others to use the State Property for State or federal government purposes, and (2) receive delivery of such State Property upon 30 days notice by the State throughout the term of the contract and including 120 days thereafter. To be clear with respect to State Property, the work shall be considered "work for hire," i.e., the State, not the selected Contractor or any subcontractor, shall have full and complete ownership of all State Property. The selected Contractor and any subcontractor hereby convey, assign and transfer to State any and all of its or their right, title and interest in State Property, if any, including but not limited to trademarks and copyrights. The State hereby grants to the federal government, and the federal government reserves, a royalty-free, nonexclusive and irrevocable license to reproduce, publish, disclose or otherwise use and to authorize others to use for federal government purposes such software, modifications and documentation designed, developed or installed with federal financial participation.

The Contractor agrees that no findings, listing, or information derived from information obtained through performance, as described in the Scope of Work in Addendum I with or without identifiers, may be released or publicly disclosed in any form for any purpose if such findings, listing, or information contain any combination of data elements that might allow an individual to determine a beneficiary's identification without first obtaining written authorization from the BHDDH's project officer. Examples of such data elements include, but are not limited to geographic indicators, age, sex, diagnosis, procedure, date of birth, or admission/discharge date(s). The Contractor agrees further that BHDDH shall be the sole judge as to whether any finding, listing, information, or any combination of data extracted or derived from BHDDH's files identify or would, with reasonable effort, permit one to identify an individual, or to deduce the identifying of an individual to a reasonable degree of certainty. The Contractor agrees that the conditions set forth herein apply to any materials presented or submitted review and/or publication that contain individual identifying elements in the information obtained, as stated above, unless such information is presented in the aggregate. Under no circumstance, shall the Contractor publicly disclose or present or submit any materials for review and/or publication that contains an individual's social security number, in part or in whole. The Contractor is hereby notified that all initial data received from BHDDH is considered confidential by BHDDH. For further requirements regarding confidentiality of information please refer to Paragraph 26 of this Agreement.

With respect to claims arising from computer hardware or software manufactured by a third party and sold by the Contractor as a reseller, the Contractor will pass through to BHDDH such indemnity rights as it receives from such third party ("third party obligation") and will cooperate in enforcing them; provided that if the third party manufacturer fails to honor the third party obligation, the Contractor will provide the BHDDH with indemnity protection equal to that called for by the third party obligation, but in no event greater than that called for in the first sentence of this Paragraph the

Attachment 2- Sample Agreement

provisions of the preceding sentence apply only to third party computer hardware or software sold as a distinct unit and accepted by BHDDH. Unless a third party obligation provides otherwise, the defense and payment obligations set forth in this Paragraph will be conditional upon the following:

1. BHDDH will notify the Contractor of any such claim in writing and tender the defense thereof within a reasonable time;
2. The Contractor will have sole control of the defense of any action on all third party claims, costs (including without limitation reasonable attorneys' fees), and losses for infringement or violation of any U.S. Intellectual Property Rights by any product or service provided hereunder; and all negotiations for its settlement or compromise; provided that (i) when substantial principles of government or public law are involved, when litigation might create precedent affecting future state operations or liability, or when involvement of the state is otherwise mandated by law, the state may participate in such action at its own expense with respect to attorneys' fees and costs (but not liability); (ii) the state will have the right to approve or disapprove any settlement or compromise, which approval will not unreasonably be withheld or delayed; and
3. The State will reasonably cooperate in the defense and in any related settlement negotiations.

Should the deliverables or software, or the operation thereof, become, or in the Contractor's opinion are likely to become, the subject of a claim of infringement or violation of a U.S. Intellectual Property Rights, BHDDH shall permit the Contractor at its option and expense either to procure for BHDDH the right to continue using the deliverables or software, or to replace or modify the same so that they become non-infringing. If none of these options can reasonably be taken, or if the use of such deliverables or software by BHDDH shall be prevented by injunction, the Contractor agrees to take back such deliverables or software and make every reasonable effort to assist BHDDH in procuring substitute deliverables or software. If, in the sole opinion of the BHDDH, the return of such infringing deliverables or software makes the retention of other deliverables or software acquired from the Contractor under this Agreement impractical, BHDDH shall then have the option of terminating such agreements, or applicable portions thereof, without penalty or termination charge. The Contractor agrees to take back such deliverables or software and refund any sums BHDDH has paid the Contractor less any reasonable amount for use or damage.

The Contractor shall have no liability to BHDDH under any provision of this clause with respect to any claim of patent, copyright or trade secret infringement that is based upon:

- The combination or utilization of deliverables furnished hereunder with equipment or devices not made or furnished by the Contractor; or,
- The operation of equipment furnished by the Contractor under the control of any operating software other than, or in addition to, the current version of the Contractor-supplied operating software; or
- The modification by BHDDH of the equipment furnished hereunder or of the software; or
- The combination or utilization of software furnished hereunder with non-Contractor supplied software.

Attachment 2- Sample Agreement

The Contractor certifies that it has appropriate systems and controls in place to ensure that BHDDH funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

The Contractor agrees that no findings, listing, or information derived from information obtained through performance, as described in **ADDENDUM I - SCOPE OF WORK**, with or without identifiers, may be released or publicly disclosed in any form for any purpose if such findings, listing, or information contain any combination of data elements that might allow an individual to determine a beneficiary's identification without first obtaining written authorization from BHDDH's project officer. Examples of such data elements include, but are not limited to geographic indicators, age, sex, diagnosis, procedure, date of birth, or admission/discharge date(s). The Contractor agrees further that BHDDH shall be the sole judge as to whether any finding, listing, information, or any combination of data extracted or derived from BHDDH's files identify or would, with reasonable effort, permit one to identify an individual, or to deduce the identifying of an individual to a reasonable degree of certainty. The Contractor agrees that the conditions set forth herein apply to any materials presented or submitted review and/or publication that contain individual identifying elements in the information obtained, as stated above, unless such information is presented in the aggregate. Under no circumstance, shall the Contractor publicly disclose or present or submit any materials for review and/or publication that contains an individual's social security number, in part or in whole. The Contractor is hereby notified that all initial data received from BHDDH is considered confidential by BHDDH.

PAR. 16. PARTNERSHIP

It is understood and agreed that nothing herein is intended or should be construed in any manner as creating or establishing the legal relation of partnership between the parties hereto, or as constituting the employees, agents, or representatives of the Contractor included in this Agreement as employees, agents, or representatives of BHDDH.

PAR. 17. INTEREST OF CONTRACTOR

The Contractor covenants that it presently has no pecuniary interest and shall not acquire any such interest, direct or indirect, without first disclosing to BHDDH in writing and then subsequently obtaining approval, in writing, from BHDDH, that would conflict in any manner or degree with the performance of services required under this Agreement. The Contractor further covenants that no person having any such interest shall be employed by the Contractor for the performance of any work associated with this Agreement.

PAR. 18. FEDERAL FUNDING PROVISIONS

Funds made available to the Contractor under this Agreement are or may be derived from federal funds made available to BHDDH. The Provisions of Paragraph 5 and Addendum II notwithstanding, the Contractor agrees to make claims for payment under

Attachment 2- Sample Agreement

this Agreement in accordance with applicable federal policies. DRUG-FREE WORKPLACE POLICY

Drug use and abuse at the workplace or while on duty are subjects of immediate concern in our society. These problems are extremely complex and ones for which there are no easy solutions. From a safety perspective, the users of drugs may impair the well-being of all employees, the public at large, and result in damage to property. Therefore, it is the policy of the state that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the workplace. Any employee(s) violating this policy will be subject to discipline up to and including termination. An employee may also be discharged or otherwise disciplined for a conviction involving illicit drug use, regardless of whether the employee's conduct was detected within employment hours or whether his/her actions were connected in any way with his or her employment. The specifics of this policy are as follows:

1. Any unauthorized employee who gives or in any way transfers a controlled substance to another person or sells or manufactures a controlled substance while on duty, regardless of whether the employee is on or off the premises of the employer will be subject to discipline up to and including termination.
2. The term "controlled substance" means any drugs listed in 21 USC, Section 812 and other Federal regulations. Generally, all illegal drugs and substances are included, such as marijuana, heroin, morphine, cocaine, codeine or opium additives, LSD, DMT, STP, amphetamines, methamphetamines, and barbiturates.
3. Each employee is required by law to inform the agency within five (5) days after he/she is convicted for violation of any Federal or State criminal drug statute. A conviction means a finding of guilt (including a plea of nolo contendere) or the imposition of a sentence by a judge or jury in any Federal or State Court.
4. The employer (the hiring authority) will be responsible for reporting conviction(s) to the appropriate Federal granting source within ten (10) days after receiving notice from the employee or otherwise receives actual notice of such conviction(s). All conviction(s) must be reported in writing to the Office of Personnel Administration (OPA) within the same time frame.
5. If an employee is convicted of violating any criminal drug statute while on duty, he/ she will be subject to discipline up to and including termination. Conviction(s) while off duty may result in discipline or discharge.
6. The state encourages any employee with a drug abuse problem to seek assistance from the Rhode Island Employee Assistance Program (RIEAP). Your Personnel Officer has more information on RIEAP.
7. The law requires all employees to abide by this policy.

I acknowledge that my employees must report for work in a fit condition to perform their duties.

As a condition for contracting with the state, as a result of the Federal Omnibus Drug Act, I will require my employees to abide by the state's policy. Further, I recognize that any violation of this policy may result in termination of the contract.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part c - Environmental Tobacco Smoke (20 U.S.C.A. § 6081-6084), also known as the Pro-Children Act of 1994 (**Act**), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through state or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment.

Any failure to comply with a prohibition in this section shall be a violation of this section and any person subject to such prohibition who commits such violation may be liable to the United States for a civil penalty in an amount not to exceed \$1,000 for each violation, or may be subject to an administrative compliance order, or both, as determined by the Secretary. Each day a violation continues shall constitute a separate violation. By signing and submitting this application the applicant/contractor certifies that it will comply with the requirements of the Act. **INSTRUCTIONS FOR CERTIFICATION REGARDING DEBARMENT,
SUSPENSION, AND OTHER RESPONSIBILITY MATTERS**

PRIMARY COVERED TRANSACTIONS

By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

1. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with BHDDH's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or explanation shall disqualify such person from participation in this transaction.
2. The certification in this clause is a material representation of fact upon which reliance was placed when BHDDH determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the BHDDH. BHDDH may terminate this transaction for cause or default.
3. The prospective primary participant shall provide immediate written notice to BHDDH if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the definitions and coverage sections of the rules implementing Executive Order 12549.
5. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by BHDDH.
6. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled certification regarding debarment, suspension, ineligibility and voluntary exclusion - lower tier covered transactions, provided by BHDDH, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which

Attachment 2- Sample Agreement

it determines the eligibility of its principals. Each participant may, but is not required to, check the non-procurement list (of excluded parties).

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by as prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under Paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, BHDDH may terminate this transaction for cause of default.

ADDENDUM XII

ADDENDUM XIII

LIQUIDATED DAMAGES

The prospective primary participant contractor agrees that time is of the essence in the performance of certain designated portions of this contract. BHDDH and the contractor agree that in the event of a failure to meet the milestones and project deliverable dates or any standard of performance within the time set forth in BHDDH's bid proposal and the contractor's proposal response (Addendum XVI), damage shall be sustained by BHDDH and that it may be impractical and extremely difficult to ascertain and determine the actual damages which BHDDH will sustain by reason of such failure. It is therefore agreed that BHDDH, at its sole option, may require the contractor to pay liquidated damages for such failures with the following provisions:

1. Where the failure is the sole and exclusive fault of BHDDH, no liquidated damages shall be imposed. To the extent that each party is responsible for the failure, liquidated damages shall be reduced by the apportioned share of such responsibility.
2. For any failure by the contractor to meet any performance standard, milestone or project deliverable, BHDDH may require the contractor to pay liquidated damages in the amount(s) and as set forth in the state's general conditions of purchase as described particularly in the LOI, RFP, RFQ, or scope of work, however, any liquidated damages assessed by BHDDH shall not exceed **10%** of the total amount of any such month's invoice in which the liquidated damages are assessed and shall not in the aggregate, over the life of the agreement, exceed the total contract value.

Written notification of failure to meet a performance requirement shall be given by the BHDDH's project officer to the contractor's project officer. The contractor shall have a reasonable period designated by BHDDH from the date of receipt of written notification. If the failure is not materially resolved within this period, liquidated damages may be imposed retroactively to the date of expected delivery.

In the event that liquidated damages have been imposed and retained by BHDDH, any such damages shall be refunded, provided that the entire system takeover has been accomplished and approved by BHDDH according to the original schedule detailed in the contractor's proposal response included in this contract (Addendum XVI) as modified by mutually agreed upon change orders.

To the extent liquidated damages have been assessed, such damages shall be the sole monetary remedy available to BHDDH for such failure. This does not preclude the state from taking other legal action.

ADDENDUM XIV

EQUAL EMPLOYMENT OPPORTUNITY

During the performance of this agreement, the contractor agrees as follows:

1. The Contractor shall not discriminate against any employee or applicant for employment relating to this agreement because of race, color, religious creed, sex, national origin, ancestry, age, physical or mental disability, unless related to a bona fide occupational qualification. The Contractor shall take affirmative action to ensure that applicants are employed and employees are treated equally during employment, without regard to their race, color, religion, sex, age, national origin, or physical or mental disability.

Such action shall include but not be limited to the following: employment, upgrading, demotions, or transfers; recruitment or recruitment advertising; layoffs or terminations; rates of pay or other forms of compensation; and selection for training including apprenticeship. The Contractor agrees to post in conspicuous places available to employees and applicants for employment notices setting forth the provisions of this nondiscrimination clause.

2. The Contractor shall, in all solicitations or advertising for employees placed by or on behalf of the contractor relating to this agreement, state that all qualified applicants shall receive consideration for employment without regard to race, color, religious creed, sex, national origin, ancestry, age, physical or mental disability.
3. The Contractor shall inform the contracting Executive Office of Health and Human Services' equal employment opportunity coordinator of any discrimination complaints brought to an external regulatory body (RI Ethics Commission, RI Department of Administration, US DHHS Office of Civil Rights) against their agency by any individual as well as any lawsuit regarding alleged discriminatory practice.
4. The Contractor shall comply with all aspects of the Americans with Disabilities Act (ADA) in employment and in the provision of service to include accessibility and reasonable accommodations for employees and clients.
5. Contractors and subcontractors with agreements in excess of \$50,000 shall also pursue in good faith affirmative action programs.
6. The Contractor shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this agreement so that such provisions shall be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

ADDENDUM XV

BYRD ANTI-LOBBYING AMENDMENT

No Federal or State appropriated funds shall be expended by the contractor for influencing or attempting to influence an officer or employee of any agency, a member of congress or State Legislature, an officer or employee of congress or state legislature, or an employee of a member of congress or state legislature in connection with any of the following covered actions: the awarding of any agreement; the making of any grant; the entering into of any cooperative agreement; and the extension, continuation, renewal, amendment, or modification of any agreement, grant, or cooperative agreement. Signing this agreement fulfills the requirement that contractors receiving over \$100,000 in Federal or State funds file with the Executive Office on this provision.

If any Non-Federal or State Funds have been or will be paid to any person in connection with any of the covered actions in this provision, the Contractor shall complete and submit a "Disclosure of Lobbying Activities" form.

The Contractor must certify compliance with all terms of the Byrd Anti-Lobbying Amendment (31 U.S.C 1352) as published in the Federal Register May 27, 2003, Volume 68, Number 101.
