ADDENDUM # 1

7/8/16

Solicitation #7550715

Title: Heavy Duty Platform Trucks - DOT

Submission Deadline: July 13, 2016 @ 10:30 am (ET)

Per the issuance of ADDENDUM #1 the following are noted:

Vendor Question:

Noticed that bid #7550715 on page #24 under a section titled “INSTALL SUPPLIED STATE RADIO” talks about a GPS system.

Other recent RIDOT bids have called for installing a RIDOT supplied 2-way radio, not a GPS, so I wanted to double check that installing the GPS was what was intended.

Response:

RI DOT is removing GPA from current Bid. Vendor will not be required to install a GPS system.

Vendor will be required to install supplied State radio.

Interested Parties should monitor this website on a regular basis, for any additional information that may be posted.
