Title: Rhode Island Works Services

Bid Closing Date & Time: August 2, 2016 at 10:00 AM (Eastern Time)

Notice to Vendors:

Please be advised that the language describing the “incentive points” located at the bottom of page 16 and continuing on the top of page 17 of the original RFP is hereby replaced with the following language, see attached.

The original language mistakenly represented the minimum scoring threshold to pass the technical phase at 60 points, instead of the correct number at 50 points.

Interested parties should monitor this website, on a regular basis, for any additional information that may be posted.

***INCENTIVE POINTS**

The holistic and/or comprehensive approach to services is integral to the success of the DHS customer. If one vendor submits multiple components and two or more of the technical proposals pass the technical proposal threshold, incentive points will be added. Technical proposals are considered passing if they are 17 scored **with 50 or more points**. All passing technical proposals are allowed to move on for a cost proposal review. If one vendor has multiple bids passing the technical evaluation, then incentive points will be provided as follows:

- Vendor submits 2 passing technical proposals, that vendor will receive 3 incentive points for each component.
- Vendor submits 3 passing technical proposals, that vendor will receive 6 incentive points for each component.
- Vendor submits 4 passing technical proposals, that vendor will receive 10 incentive points for each component.
